

SANTIAM FARM TOPICS

Mr. Editor Charles of the Santiam News may think the Pie Eater is dead ere this. But you are badly mistaken. The old man has been silent the past two weeks owing to failing to send in his items after being written out, but will try to be more mindful in the future.

Our big sale of Cecil Cranes is over and he and family are now moved to Allany for their future home. We all wish him success as he is quite an energetic young man.

Mrs. Clara Griffin has been quite nervous with nervous prostration since the death of her father, but is now thought to be on the improve.

Mrs. Emma Small is laid up with a severe cold and nervousness since the death of her father, Mr. Pomeroy.

Mr. Thomas and wife of Stayton are visiting with William Smith and family, as Mrs. Thomas is a sister of Mr. Smith.

Our school is progressing as nicely as could be wished for under the supervision of Mrs. Buce as teacher.

Mrs. Flo Hart returned home to her mother, Mrs. Phoebe Turner, after a six months' trip through Montana, leaving her husband at Salt Lake for repairs.

Our rainy season has set in and people all have the blues with their lip hung down. Road bad, autos being cashed away and those fine haired fellows will have to resort to mud wagon or stay at home.

Our Farmers' Educational Union met at the big Bohemian hall near the Richardson bridge with a light attendance owing to the inclemency of the weather. With some four visitors of business men who gave us an interesting talk on their line of business, propositions which were duly considered by the Union and were highly appreciated.

The aluminum peddler who is canvassing this county will meet the Union at our next meeting, the fourth Sunday, to make a display of his aluminum ware and make the Union a proposition as to how they may buy his ware at a living price. So all come and see what you wish. Mrs. Melba Bilyeu ordered \$20 worth of his best, to fit her new kitchen, which she will soon move into. Then call around, should you wish for a square meal, which will be forthcoming.

PIE EATER.

Try our hot tamales, fresh oysters in any style, and fresh crabs at Sticha's.

Sam'l. M. Garland

Mr. Garland has been a resident of Linn County for twenty-five years, and is one of the largest tax payers in the county. He has always been an ardent supporter of the public schools, and believes in the enforcement of law. Mr. Garland is a progressive man, but believes that our taxes are far too high. If elected to the State Senate, he will favor the abolishment of all useless offices and commissions, and will vote for only such appropriations as are absolutely needed for the economical administration of the affairs of the State. His long experience in public life, his high character and undoubted ability make him an ideal State Senator.

CHARLES CHILDS

If you believe in lower taxes; the repeal of the law providing for the present method of tax collecting; a permanent constitutional registration law and more common sense and less red tape in legislative matters; vote for Charles Childs for Representative. As a member of the last house Mr. Childs voted against extravagant appropriation bills and against raising the salaries of public officials.

He introduced and was successful in passing a bill fixing a standard for condensed milk which enables smaller condenseries to compete with larger concerns. The Scio condensed milk plant was shut down at the time the law was passed but has been running ever since.

Mr. Childs has made a good record and should be re-elected.
Vote 62 X Charles Childs.

To The People of Linn County:

The Linn County Republican Central Committee sincerely and earnestly appeal to the people of Linn County to harmonize and unite and to rally to the support of Republican policies and principles and to vote for and loyally support all of the nominees on the Republican ticket, County, State and District.

Oregon should no longer be politically misrepresented in the State or National Capitals. The State should be placed in the Republican column where it rightfully belongs.

The Republican party in Linn County and the State of Oregon has a ticket which we need not hesitate to support with enthusiasm.

Never has the Party nominated more true and loyal men--good, clean men, with good, clean records, worthy the united support of the people.

The registration both in County and State shows that Oregon is overwhelmingly Republican, then why should any Republican support the nominees of any other party?

If you believe in Republican principles vote the Republican ticket straight. It is by electing Republicans to office, charged with carrying out the principles of the Republican party, that we perpetuate the policies of our party.

Remember this fact when you go to the polls on November 3rd to cast your vote for State, District and County officers.
