Prices Reasonable.

As it is about time to get your heating stove you will make a mistake if you don't take a look at the new designs at Morrison's hardware store. High class heaters at a moderate price. I defy any mailorder house to compete in price or quality. Yours for business, N I Morrison.

Why Not Publish It?

When you want a fact to become generally known, the right way is to publish it. Mrs Joseph Kallans, Perc lod, was troubled with belching, sour stomach and frequent headaches. She writes "I feel it my duty to tell other what Chamberlains tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." For sale by all dealers.

The White Breasted Nuthatch.

The white breasted nuthatch is often mistaken for a small wood pecker. Its name was suggested by the habit of wedging nuts, especially beechnuts, in the crevices of bark and breaking them open by blow from his sharp, strong bill. Insects and spiders constitute about 50 per cent of its food, the largest items being beetles, moths, caterpillars, ants and wasps. More than half of the vegetable food eaten consists of mast, acorns and other nuts and large seeds. Only one-tenth of its food is grain. The bird does no injury, as far as known, and much good.

A Famous Milestone.

One of the oldest milestones is to be seen in the museum at Leicester, England. It is a cylindrical block of sandstone roughly inscribed with an abbreviated statement to the effect that it was erected during the emperorship of Caesar Hadrian, son of Trajan, conqueror of Parthia. It also says, "To Leicester, Two Miles." The Hadrian milestone was discovered over a century ago beside the ancient Fosse way and narrowly escaped being converted into a lawn roller by the unromantic and practical funder.

Sam'l. M. Garland

Mr Garland has been a resident of Linn County for twenty-five years, and is one of the largest tax payers in the county. He has always been an ardent supporter of the public schools, and believes in the enforcement of law. Mr Garland is a progressive man, but believes that our taxes are far too high. If elected to the State Senate, he will favor the abolishment of all useless offices and commissions, and will vote for only such appropriations as are absolutely needed for the economical administration of the affairs of the State. His long experience in public life, his high character and undoubted ability make him an ideal State Senator. (Paid Advertisement)

A Congressional Blank

W C Hawley is a congressional blank filed away in the dusty archives of the national capitol and is used for reference whenever the "old guard" needs a reactionary vote. He has been card indexed and tagged. He is classified as harmless, but necessary. He has been taught to eat out of the horny hand of former Speaker Joe Cannon and is one of the few remaining cogs in the bent and broken wheel which was built under the Cannon-Payne regime. If he ever performed any real service to his constituents, they never heard of it. If he ever made a brilliant speech it has been expunged from the congressional record. If he ever did anything else of value aside from drawing his pay, the Washington correspondents have failed to record it. Hawley is a lady-like, well meaning incompetent. He never measured up to his job when he was elected and is no further advanced at the present time than he was when he first received his commission of office. The Republicans of the First Congressional district were "stung" when they gave him his nomination. The entire voting population of the district was "stung" again when he was elected.

The great majority of newspapers in the Willamette valley concede that the statements made above are correct. It is not news. It is merely a statement of facts which are already quite familiar to the thinking people of the state.

Now the Democrats of the First Congressional district have this year nominated a brilliant lawyer and thorough business man for the office of congressman. There can be no question raised as to his integrity or his ability. He is congressional timber in all that the name implies. His nomination is an honor to his party and a credit to his state. We refer to Hon. Frederick Hollister of Coos Bay—the flesh and blood which the Democrat proposes to substitute for a political corpse at the national capitol. (Paid adv.)

F. C. STELLMACHER

Frank C Stellmacher, candidate for County Clerk, nominated at the Democratic primaries. Six years in the County service—four years deputy County Clerk under B N Payne, two years Deputy Sheriff under D S Smith.

For the last six years he has been with M Sternberg and Company of Albany, Oregon.

Has a civil and military record of merit. Served with the Second Oregon in the Philippines during the Spanish-American war and is now in command of the Department of Oregon, United Spanish War Veterans. Served over twelve years in the Oregon National Guard, six years of this time being in command of the Company as Captain. Is now a member of the Reserve Corps of the state and subject to duty.

His service was without partisan or political consideration and as such is entitled to receive as fair and impartial treatment at the polls.
