UPPER SANTIAM EVENTS

Mill City precinct went 2 to 1
for S W P.

Chas Sullivan who invented a
logging hook won his case in suit
for infringement of patent. He
received back royalties and
drainage.

Mr Borggraf an architect of
Albany came up and pronounced

This upper county gave Coun-
ty Surveyor Geddes a nearly
solid vote. This is the region in
which he generated stone bruises
when a boy. John R Penland
city engineer, of Albany just 5
days before election sent letters
to leading republicans all over the
county saying a good word for
his partner in business. That of
itself was legitimate, but he
told some disparaging things
about the county surveyor. He
went as far as he dared and
keep out of the corrupt Practice
act. John, you are starting out
in life in the wrong way. De-
right. "Chickens come home to
roost," John.

A new road district has been
formed running up the river
from Rock creek to the Goot
reserve.

Prof Asa Hiron visited the
Hammond mill Saturday.

The ladies aid society gave
good dinners to both election
boards on election day.

Robert Peery of the Crabtree
country was circulating around
up here recently.

NICK.

The Water Spider.

A fine covering of hair protect-
the water spider, and even if it is
submerged in the water it is never
really wet. The hair keeps a layer
of air between its body and the wa-
ter. It looks like a white pearl
when below the surface. The scien-
tiff name of this curious insect is
the Velia currens.

Has Remembered.

"Were you in Venice while you were
abroad?"
"I forget. Were we, husband?"
"I don't see how you can forget!
Venice. That's where we got that good
spaghetti." - Louisville Courier-Journal

Our Best Clubbing Offer

\$1.25—Our Paper and Any One of These Clubs—\$1.25

SEVERAL leading publishers of magazines have joined with us in one of the greatest subscription bar-
gain offers ever put out in this country. Through this combination everybody will be able to get a
yearly subscription to three magazines in combination with our weekly paper at practically the price
of our paper alone. In this list you will find forty different periodicals formed into thirty-five different
clubs. Each club has 3 magazines, except one Special Club which has four magazines; some of these maga-
zines sell for as much as \$1 a year. They are all good and cover a large variety of choice reading matter,
including History, Music, Religion, Education, Fashions, Fancy Needlework, Illustrated Current Events,
Home Decorations, Fiction, Literature, Drama, Art, Science, Inventions, General Farming, Dairy Farming,
Live Stock, Vegetables, Fruit and Poultry.

On account of the splendid contract we have made with the publishers of these magazines, we are able to give our readers a
choice of any one of the clubs in combination with our paper one year for \$1.25. Just 25c more than the price of our paper alone.

This offer is made to everybody. If you have never subscribed to our paper before, we ask you to take advantage of this offer.
If you are a subscriber to our paper we ask you to renew so that you too, may get 3 magazines extra. Look over the list and select
the club you like best. Send your order today or give your order to our representative or call at our office when in town. If you
are now a subscriber to any of these magazines and want to renew just send your order to us and we will have your subscription
extended. If your subscription to our paper is past due, we advise you to pay up and take advantage of this bargain. If you are in
the habit of buying your magazines through other channels, we ask you to justly compare our clubs and prices with that of any
other offer you receive. You, no doubt, are now a subscriber to some of these periodicals. You can save money by sending your
renewal order to us. Here is a chance to get your home paper and a yearly supply of good reading at a real bargain. If you want
one or more of these magazines sent to different addresses, just mention it.
