

LETTERS FROM OUR COUNTRY CORRESPONDENTS

SANTIAM FARM TOPICS

Clifford Griffin went over to Albany Tuesday on a business trip, but owing to a boil on his neck he failed to attend to business, returning home Friday evening.

M C Gaines put in the past week building a dehoring stall, as he has quite a herd of cattle to dehorn before the cold weather sets in.

Oscar Philpot is surely a good shot. He heard a band of wild geese light in his field just at dusk, so thinking he might get a goose for breakfast went out with his old reliable shot gun and taking his course from the noise, advanced as near as he wished, turned loose both barrels at once, walked out briskly to see what luck and found three of his wife's favorite Toulouse geese flopping in the mud. He pulled out a lock of his hair to convince his wife that he was sorry for the accident and he promised her he would never go goose hunting again after night.

Mr Lee and wife were over Sunday and took dinner with the old man and good wife, which we enjoyed very much.

Miss Margaret Brock returned home Sunday after spending two months near Providence.

Miss Muriel Griggs is staying at Byron Crabtree's.

Riley Shelton and wife of Scio were out Sunday visiting the latter's father, Alexander Montgomery, as he is in poor health.

Geo Bilyeu will soon occupy their new up-to-date home which is about finished. It is the best farm residence this side of Albany and few there are its equal. So Uncle George and wife will live at home and board at the same place hereafter.

PIE EATER.

Bring your fresh vegetables to the Scio Hotel.

Best Cough Medicine for Children.

"Three years ago when I was living in Pittsburgh one of my children had a hard cough and coughed dreadfully. Upon the advice of a druggist I purchased a bottle of Chamberlain's Cough Remedy and it benefited him at once. I find it the best cough medicine for children because it is pleasant to take. They do not object to taking it," writes Mrs Lafayette Tuck, Homer City, Pa. This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult. Sold by all dealers.

School Notes

School closed Friday night for a weeks' vacation for the students. The teachers are obliged to attend the institute on Monday, Tuesday and Wednesday preceding Thanksgiving.

The program given by the pupils of the intermediate and primary grades Friday afternoon was very well rendered. Many visitors were present and all seemed to enjoy themselves immensely.

The "Union Depot" in which several of the High School students participated was a decided success.

Miss Shannon has received word from her home in Nebraska that her father is dangerously ill.

Mayor Ewing visited the school one day last week.

LOCAL DRUGGIST SAYS: "TAKE ONLY ONE DOSE"

We want to tell those in Scio suffering from stomach or bowel trouble that we are agents for the simple mixture of buckthorn bark, glycerine etc, known as Adler-i-ka, the remedy which became famous by curing appendicitis. This is the most thorough bowel cleanser known and JUST ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. You will be surprised at the QUICK action of Adler-i-ka.—E. C. Peery.

Despondency Due to Indigestion.

It is not at all surprising that persons who have indigestion become discouraged and despondent. Here are a few words of hope and cheer for them by Mrs Blanche Bowers, Indiana, Pa. "For years my digestion was so poor I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them, did I find the right treatment. I soon began to improve and since taking a few bottles of them my digestion is fine." For sale by all dealers.
