

LETTERS FROM OUR COUNTRY CORRESPONDENTS

SANTIAM FARM TOPICS

The young folks are enjoying the cold weather skating. Scott Turner while cutting some fine figures on the ice, got the wrong end up and his cheek bone made quite a dent either on his face or the ice. He got up thinking a horse had kicked him.

Mrs Jennie Lovejoy has returned home from Stayton where she has been for a year. She will spend the winter with her mother, Mrs Gaines.

The condensery sent a new man around Monday after the cream as they did not wish to discommode their patrons when they shut the plant down for a short time for some needed repairs.

Frank McDonald of Scio was out to the Santiam Farm after a lot of nice pork for the holiday trade.

The Santiam Farm is undergoing a little improvement with 120 rods of new wire fence, also six wire gates, and fixing barns and sheds with new sills, new underpinning of stone, a new paper roof and a tool house, to pass away the cold weather as it is so fine to work.

Mr Bucuo is cutting 25 cords of ash wood on the David Horsburgh place.

The Pie Eater still has his fine shephard dog for sale at \$10. No dog is smarter or worth any more. Is worth \$100 to any man who has stock. Sam Zysett's dog is his sire.

The Farmers Educational Union met Sunday at the Richardson gap Bohemian hall and elected a new set of officers and having a good time in general.

Mrs Clara Griffin is still confined to her bed under the care of Dr Davis of Albany, who intends operating on her as soon as her daughter, Mrs Neva Sturges arrives from Burns.

Sick Headache

Sick headache is nearly always caused by disorders of the stomach. Correct them and the periodic attacks of sick headache will disappear. Mrs John Bishop of Roseville, Ohio, writes: "About a year ago I was troubled with indigestion and had sick headache that lasted for two or three days at a time. I doctored and tried a number of remedies but nothing helped me until during one of those sick spells a friend advised me to take Chamberlain's Tablets. This medicine relieved me in a short time." For sale by all dealers.

The Christmas Thought

Ideas on Christmas giving are rapidly changing among the sensible. Those who think as they give are looking for a year-round service as the important thing.

In a week of shopping, with all its strain, you will not find a better gift than a year's subscription to the Youth's Companion. It offers its service, its clean entertainment, its fine suggestiveness week after week; and at the end of the year, which finds many a gift in the attic, dust covered and forgotten, brings the Companion again, with all the charm of last Christmas.

No American monthly at any price offers the same amount of reading and none can offer better quality. Less than four cents a week provides this best of Christmas gifts—\$2.00 a year. If you subscribe now, all the remaining issues of the year will be sent free, and the Companion Home Calendar. A copy of the calendar is also sent to those who make a gift subscription. Send for sample copies, and the Forecast for 1915.

THE YOUTH'S COMPANION,
144 Berkeley St, Boston Mass.

New subscriptions received at this office.
