Colds and Croup in Children

Many people rely upon Chamberlain's Cough Remedy implicitly in cases of colds and croup and it never disappoints them. Mrs E H Thomas, Logansport, Ind. writes: "I have found Chamberlain's Cough Remedy to be the best remedy for colds and croup I have ever used, and never tire of recommending it to my neighbors and friends. I have always given it to my children when suffering from croup, and it has never failed to give them prompt relief." For sale by all dealers.

R L Smith together with his sister and niece are now settled in their home which they bought of R L DeVane last week. As the furniture was included in the sale Mr Smith said all they had to do to be fully equipped for housekeeping was to buy a sack of flour, and as he bought Bob's wheat at the mill that was easy.

A new crossing just south of the Smith & Smith building on Main street adds to the appearance of the walk and the comfort of pedestrians.
