The ONLY cream separator adapted for mechanical cleaning.

The ONLY cream separator with a non-rusting guarantee.

The ONLY cream separator with a rustless bowl chamber liner.

The ONLY cream separator with a neckbearing adjustable while running.

The ONLY cream separator with medium sized gears, all enclosed and all running in oil.

The ONLY cream separator from whose bowl all the cream can be recovered or "flushed."

The ONLY well known cream separator that skims Nature's way—cream rising to top, skim milk settling to bottom.

The ONLY cream separator to which the crank can be attached on either side.

The ONLY cream separator on which crank may remain when operating by pulley on opposite side.

The ONLY cream separator to win a World's Record for closest skimming.

The ONLY cream separator that can produce thick cream and skim clean at the same time.

The Interlocking Sectional Type differs vastly from the disc or any other separator construction. It is the modern product of new and better ideas and is manufactured under the latest cream separator patents—antiquated, abandoned principals of construction having no place in its makeup.

If you want a cream separator the women folks can run and take care of with pleasure investigate the U.S. We offer to bring one out and demonstrate it. No obligation to buy.

Editor Santiam News:—

Just a little squib reporting the organization of two more locals, one at Riverside and one at Mount Pleasant. Will probably organize Shelburn and Burmeister Creek this week.

Both new locals got busy at once in placing co-operative orders for goods. Riverside placed an order for some \$50. or \$60. worth of groceries, oil, sugar, etc. Mount Pleasant made a big order: 2,010 lb binder twine, 28,500 shingles, 3 bbls linseed oil, 200 lb white lead, 19 sacks sugar, 2,300 lb coarse salt, 1,000 lb fine dairy salt, 929 rods wire fence, 14 spools barb wire, 3 steel tanks coal oil.

Richardson Gap placed a good order also: 2,050 lb fine dairy salt, 1,400 lb lump salt, 700 lb ground oyster shell, 1 case Old Dutch Cleanser, 1 case A & H soda, 25 cases XXX soda crackers, 80 lb roasted coffee, 25 lb Blue Stem, 2 cases lime and sulphur spray, 1 case Citrus washing powder, 8,250 lb land plaster, 1,000 grain bags and 2 steel tanks of oil, making some 20 tanks in all this winter at a saving of 100 per cent. At our next meeting we will probably place an order for 50 sacks sugar.

All members of Richardson Gap local are requested to be present at our next meeting March 21, as there are some important measures to come before our local at that time.

"Charlie's Aunt" drew a full house last night at Wesely's hall and everybody seemed to feel that they had their moneys worth. The play is a laughable comedy and all the players acquitted themselves with credit. The personnel of the Play was as follows: Dr E H Hobson, Robert Hopkins, Al Plummer, Fred Ohlmeier, Ben Thayer, Mrs Fred Ohlmeier, Misses Rolla Wade, Lillie Sims and Myrtle Knauf and Robert Wade.

To the Housewife.

Madame if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are most likely to lead to serious diseases. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high in the estimation of people who use it. It is prompt and effectual, pleasant to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers.
