

BUTTER WRAPPERS

The state law requires that all dairy butter offered for sale at a dealers, must be enclosed in a paper wrapper on which is printed the number of ounces of butter, full weight and by whom made.

We are equipped to print these wrappers to comply with the state law and at prices you cannot afford to ignore, and when used they make a very neat and attractive package.

TWENTY-TWO YEARS AGO

Scio Press, July 21, 1893

Al Moore bought Ira Richardson's half interest in the Scio meat market this week, and has become sole proprietor.

Riley Shelton started for a few days visit to Seattle, Tuesday. He has a number of lots over there which he wishes to sell.

The school board has employed Miss Ella Cary for the intermediate and Mrs Geo Munkers of Jefferson for the primary departments of the public school. Prof Mitchell has been employed as principal.

Job Shelton is the boss trout fisherman of Scio. One day last week he caught 335 in one-half days fishing.

Born—On July 17, 1893 to the wife of Al Moore, a son. Both mother and son are doing remarkably well, but Al has required the services of Dr Brenner a number of times. By the watchful care of friends and a liberal use of ice water his physician thinks he will survive this very severe attack of son-stroke.

Born Tuesday, July 18, to the wife of A D Woodmansee, a daughter.

Santiam Berry Farm

I now have plenty of fine Loganberries for sale. 15 cents on the bushes, or 25 cents per gallon delivered in Scio.

Important Notice

To the presidents and secretaries of all the Farmers Unions:

We have an urgent request asking you to lay before your locals, whose servants you are, to get together and begin now to assemble your orders for winter goods. We have an opportunity to buy direct from the manufacturers, boots, shoes, dry goods, blankets, macinaws, underwear, overalls, shirts, socks, ladies hose and underwear, at absolute wholesale prices. So begin now to make up your orders and be able to report to me by Sept 1 the needs of your locals. Appoint a special solicitor in your local to interview each member as to their needs for the coming winter. Be specific in making out sizes and numbers (most everyone knows the size of shoes, shirts, overalls, etc. they wear) and report them as much as possible in groups of a kind. For instance: 6 pair overalls, say 33x33, that means waist 33 in., length 33 in., and you would make out your order like this:

6 pr overalls 33x33 (specify bib or waist as to style)
6 over shirts size 16 (neck measure)
6 pr shoes, heavy, No. 9s
6 pr white or gray wool blankets, specify color, weight and size, wt. 5 lb size 60x90, 66x90, 72x84, 74x90
As a usual thing men's socks should be about 2 sizes larger than the No. of shoe. If you wear a No. 9 shoe you would want No. 11 socks. Undershirts should be about 2 sizes larger than the waist measure of drawers—if you wear a 36 in. waist drawer you should get a 38 undershirt.

Attention Farmers

Owing to a good many sending away for their twine one does not know how much will be needed and my supply is limited. Last year I had to carry over a lot, but I don't intend to let it occur again, so if you want twine place your order at once and state when you will want it, otherwise you may have to rustle or wait for it. The wise will order at once as my supply is getting less every day. N. I. Morrison.

Local Druggist Makes Many Friends

E C Peery, druggist, reports they are making many friends through the QUICK benefit which Scio people receive from the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowel. Traveling Man's Experience

"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from 4 a m to 6 p m without giving me any relief and then told me they did not expect me to live, that I had best telegraph for my family. Instead of doing so I gave the hotel porter 50c and told him to buy me a bottle of Chamberlain's colic, cholera and diarrhoea remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At 5 o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack," writes H W Ireland, Louisville, Ky.
