Despondency Due to Indigestion

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's tablets," writes Mrs Geo Hon, Macedon, N Y. "This medicine proved to be the very thing I needed as one day's treatment relieved me greatly. I used two bottles of Chamberlain's tablets and they rid me of this trouble." Obtainable everywhere.

LACOMB NEWS ITEMS

Miss Delpha Wallace visited at home over Saturday and Sunday.

The L A S of the Baptist church gave an ice cream social Saturday night. Everyone present enjoyed a pleasant evening.

Willia Button visited with her sister Mrs Ethel Nolan, Saturday night and Sunday.

Mr Kohler has sold his farm which he purchased of E N Soule, and will give possession October 1.

Mr and Mrs B F Raines were Portland visitors last week.

J W Cox and Riley and Alfred Rucker went to the coast on the Sunday excursion.

D W Buhl and family, Frank Turnidge and family, Mrs A A Waddle and Miss Marjle Clark were among those who heard W J Bryan speak in Albany Friday.

Through a typographical error in these notes last week it was intimated that a cow "tale" of some kind was doing much service this summer. The only cow "tales" the writer has ever heard much about were the ones of the cow that jumped over the moon and the cow that set Chicago on fire. If these cow "tales" are still doing service we suppose it must be in a nursery. [Kind of a tale of a tail, as it were. We acknowledge the corn; we did, unintentionally, without malice aforethought, make "tale" of "tail", else this tale would not be retailed. - Ed.]

We Lacombe people would like to see every Farmers Union in Linn county have a regular correspondent for the Scio News, that we may keep in touch with each other. But, "for the love of Mike" if you are going to do anything of the kind, do better than the Lacombe local did.

Orville Downing returned last week from Umatilla county.

Have the readers of these lines ever stopped to reflect on how seldom they ever see or hear any of the merchants, who are constantly exhorting the people to patronize home industry, pushing the sale of Lebanon canned fruit and vegetables, Scio condensed milk, Brownsville or Stayton made woolens or Albany made brooms. Every one of these is a meritorious article too. Truly, consistency is a rare gem.

Lastly! Don't forget our ice cream social at Lacombe, Saturday, Aug. 14.

CRABTREE NEWS

As the writer was driving through the street of Crabtree the other day he noticed a crowd at the Santiam Hotel shaking hands and bidding good bye to Uncle Bill and I thought it was W J Bryan, but behold no, it was Bill Lachets. We will all miss him and his smiling face. He got a letter and home he must go. That is all right this time Bill, but the next time you come to see us bring your best girl with you so you can stay for a time.

Ray Shaw is the first to have grain threshed here and it turned out fine.

Larry Lachets, a jerry on the S P at Crabtree, got what some one calls a punch under the eye. This punch was with a crowbar in the hands of a workman who accidentally hit him. Larry is thankful to Otto Schuman for the quick time he made with his auto in taking him to Albany to the doctor, ten miles in four hours and after a doctor at that. My, my, that is going some.

SANTIAM FARM TOPICS

Geo Blyeu returned from Breitenbush last week, leaving his wife there to keep camp. He seems improved in health and reports things flourishing at the Springs.

Services were conducted at our school house Sunday night with good attendance and much interest.

Mrs Newton Crabtree is still in a critical condition with but little hope for recovery.

Hay baling has been the order of the week.

Our Farmers Union was a success with an aluminum agent and a Rawlings medicine man on hand taking orders, so we are still on the inside track.

Our good neighbor Mr Kalina has bought the Joe Poindexter farm of 75 acres and will soon take possession of this fine piece of land.

Mr White and wife and daughter Mrs Shelton of Scio autoted out Monday and got some Himalaya berries as a sample.

Cutting grain out in this section is quite a fad among the farmers as the sun comes out occasionally to notify them that it has not entirely gone back on them.

Miss Bertha Smith has a position with Mrs M C Gaines for the summer and they both seem to be well pleased.

Jack Hawkins of Seattle is working for M C Gaines and makes his home with the Pie Eater.

Everything is floating along lovely with plenty of hard work which we enjoy like a hog a dying.

PIE EATER.
