If you are afflicted with boils just dig some burdock roots, wash them clean, then boil them and drink the tea, either hot or cold about 1-2 cup three times a day before meals, continue until your boils are gone.

If you are troubled with constipation try eating muffins made by this recipe: 2 cups of bran, 1 cup flour, 2 cups sour milk, or sour dough, 1 rounding teaspoon soda, 1-4 cup butter or other shortening and 3 tablespoons New Orleans molasses. Beat all together and bake in muffin pans.

How to Prevent Croup

It may be a surprise to you to learn that in many cases croup can be prevented. Mrs H M Johns, Elida, Ohio, relates her experience as follows: "My little boy is subject to croup. During the past winter I kept a bottle of Chamberlain's cough remedy in the house, and when he began having that croupy cough I would give him one or two doses of it and it would break the attack. I like it better for children than any other medicine because children take it willingly, and it is safe and reliable. Obtainable everywhere."

The L. A. S. of the Baptist church will have a bazaar and ten cent lunch at Lacombe Saturday night, November 20. We bespeak for them a large and liberal crowd.

Apropos of "A Subscriber's" "hoiler" about a farmer asking a dollar a bushel for his wheat, we would like to express our opinion. Of the 1915 crop of western wheat only about one bushel out of every fifty available for milling, is held by the

The speculators and the demand may put the price of wheat up, and if a few of the farmers are fortunate enough to be able to hold part of their crop for a better price, the man that begrudges the farmer his profit has a soul that would rattle in a mustard shell.
