

LETTERS FROM OUR COUNTRY CORRESPONDENTS

SANTIAM FARM TOPICS

Mrs S W Gaines went over Sunday to visit her aged brother, Job Crabtree, who is badly afflicted with sciatic rheumatism in his left hip and suffers a great deal of pain, but thinks some new medicine he is trying is helping him.

For all Sunday was a hum-dinger of a stormy day the Sunday school was a success with a full house.

Mrs M C Gaines returned home Saturday from Albany where she is taking medical treatment and seems to be improving nicely.

Billy Montgomery had the misfortune to get his leg broken just above the ankle Sunday afternoon, the result of riding an old gentle work horse with a halter after he had stood in the barn a few days without exercise, and went to playing, and Billy fell off.

Our Sunday School voted to have a Christmas tree and had a social gathering at Mrs Wm Lee's Sunday night to select and practice songs for the tree, which will be held at the Franklin Butte school house.

Mrs Turner's daughter, Mrs Flora Heart, went down Saturday to cook for Mr Turnidge on his mint farm near Jefferson.

Why every true American citizen does not read the Menace is because he has not waked up yet to an interest in his country. Why not send 25c to the editor of the Menace, Aurora, Mo, for a 40 weeks subscription and learn what is going on in this free country of ours. It is worth \$5 to every true American citizen.

Jake Smelzer of Scio has the contract of breaking three young horses for uncle George Bilyeu, to amuse himself and make a little pocket change.

BILYEU DEN ITEMS

Several relatives and friends met at "Grandma" Bilyeu's on the 11th inst to celebrate her 87th birthday. They report an enjoyable time.

Mrs Cole and Otto were recent visitors with her son and daughter near Salem.

The Wendt family were visitors at the C C Burmester home Sunday.

Sank Hannah baled his hop crop recently, having 15 bales. And, by the way, who said "Sank can't boil water without burning it?" Well we enjoyed two good dinners with Sank while baling hops. He is some cook, even if he does have to cook it himself.

C C Burmester was a business caller at Scio Sunday, coming home Monday, getting home before dark, which is unusual for him. Just ask him if he got wet. He visited at the home of Wm Young Sunday night.

Robert Pepperling and family spent Saturday night and Sunday at the home of Mr Cole.

Hog killing time is on in this neighborhood.

The report is "the show at the Monkville Hall was a grand success" last Saturday night.

Telephone work is the order of the day now. Lines 4 and 23 are being changed to the new road east of Scio, and in connection with the Jordan companies have bought the old Bell line between Scio and Jordan which they intend fixing up as a commercial line, which will be better than going by way of Stayton.

The recent high water took out the new dam built by E M Kimball above his flour mill. The dam was part concrete and the rest pole. It is a heavy loss to E M.

If nothing prevented, the old bridge at the Parker mill site will soon be floating on the briny deep.

Your scribe has been studying some time on a perpetual motion machine and by the aid of the good wife I think I have got it in running order. Here it is: I am clearing land, to raise more feed, to keep more cows, to sell more cream, to get more money, to clear more land, to raise more feed, and so the wheels keep rolling.
