Mr and Mrs W T Lee were very much surprised last Tuesday, when they were told over the phone that Mrs Lee's father, Mr Hartman was in Scio and for them to come in after him the next morning. Early the next day a telephone call from Crabtree informed them that Mrs Lee's cousin, Mrs Hollingsworth and husband, with their daughter, Mrs Albert Johnson and husband and son Ray of Kearney, Nebraska, were here. A reunion is now being held as they have not all been together for over 33 years.

J N Weddle fell on a slippery walk in the southwest part of town Monday night near the Poindexter home, and broke his left leg in two places. Both bones were broken just above the ankle, and the large bone just below the knee. Drs Prill and Hobson reduced the fracture and he is resting as comfortably as possible. To prove the old rule that misfortunes never come singly, Mr Weddle, who has been city marshal for the past seven years, was defeated at the polls Monday by the narrow margin of seven votes.

Play Was Fine

"Tennessee's Partner" was played to a fair sized audience last Friday evening by the Scio Dramatic Club. Had it not been for the fact that the night was stormy, the house would have been filled to capacity. Everybody spoke highly of the play and the ability of those taking part. They have undoubtedly passed the amateur stage, and show the effects of the careful training they have had in attention to details.

More plays will probably be given by the Club during the winter and their next effort will be watched for with interest.
