SHELburn ITEMS

Clair McLain is back in school
again. He has been in Blatch-
ford's store for the last two
weeks.

The storekeepers are able to
be around again from their at-
tack of the grip.

Loreen White spent Monday
night with Inez Hirons.

Mrs Gertrude Russell is spend-
ing a few days with her parents,
W H McLain and wife.

Nine students who took the
eighth grade examination in
physiology and geography were
successful.

Iola George has been sick.

Dillon McLain has been on the
grip list. Others are Edwin Hol-
land and wife, Mrs Maud Holland
and Mr and Mrs Alfred Blatch-
ford and baby.

The new water tank is com-
pleted. Wonder what is coming
next to Shelburn.

The motor is quite an addition
to the train service.

Logging camps are running
full blast. Martin & Brant are
sawing at record breaking speed;
Frank Pietrok is also running
out heavy timber. Charlie Dart
is hauling for both mills.

Wyman Bros have been grub-
bing for Frank Pietrok but are
almost done.

Earl Gooch and Jim George
are working with the water
tank men.

Mrs Maggie Sterling was laid
to rest Friday afternoon in the
Miller cemetery.

Winter seems to have come to
stay. It's snow, more snow,
and I guess it will soon be most
snow.

Ernest Macreay spent Sunday
with his wife.

NICK

BILYEU DEN ITEMS

Snow is about all gone here
now. Seems more like webfoot
to plod around in the rain in-
stead of snow.

Mrs J D Grimes has been
visiting relatives at Shelburn for
a couple of weeks and at the
same time acting as nurse for
Mrs Ercil Osborn.

Richard Cramer and wife were
recent visitors with the latter's
parents, H E Burmester and
wife.

J N Bilyeu went to Crabtree
Friday after school hours and
spent Saturday and Sunday with
home folks.

Doc Scuib.

SANTIAM FARM TOPICS

As the Crabtree bridge
was in considerable danger
of being washed away by
high water, David Horse-
burgh and M C Gaines vol-
unteered their services and
done some fine work to save
the bridge, which the coun-
ty officers ought to have
been at for some time.

Lyman Smail returned
home from working on the
railroad quite sick and was
threatened with pneumonia
but the skill and prompt at-
tention of Dr Prill soon had
him on the road to recovery.
Thos Smail has a severe at-
tack of lumbago and feels as
though he had been sawed
in two across the coupling
with a rip saw. Mrs Smail
is also quite poorly with
grip.

I just received word that
my brother-in-law Jno South
of Independence, a former
resident of this section, is
lying at the point of death
with dropsy.

Our Sunday school was
omitted last Sunday owing
to the illness of the Superin-
tendent Mrs Lee, with grip.

Any one owing the Pie
Eater will do him quite a
favor by digging up the
change, as the old man is
busted as wide a soap trough
and is about out of money
till he can sell some wheat,
oats or hay.

The old man has quite a
job on hands picking over
six bushels of wheat by hand
for seed, which was quite
foul with vetch and other
filth. It is the American
Wonder, new on this coast,
which will soon be the com-
ing wheat.

Mrs Munsey of Lebanon
was over Monday visiting at
the home of her father, A R
McDonald.

Billy Montgomery who
had one of his ankles mashed
some six weeks ago is
nicely on the mend and is
able to be out on crutches.

A long expected wedding
took place a few days ago
when Riley Montgomery and
Miss Maud Ray were married
at Vancouver, Wash. They

are now at home happy as
larks, with best wishes of
the Pie Eater.

The old man hates to tell
how bad he was sold last
week as he kept busy all day
putting a tongue in his sled
anticipating a sleigh ride
and the next morning the
snow was gone and mud
and slush shoe top deep. It
reminds me of old times in
the 60s when I drove a fine
team and sleigh to Scio.
There was but little law or
order and most of the busi-
ness houses were saloons.
He would take a shot of tan-
glefoot or crazy brains, then
the old man, then a boy,
would jump in his sleigh
and go down the street like a
Comanche Indian, head and
tail up, hat off, snow and ice
flying from the mustangs
feet like shot from a cannon;
several rounds to annoy the
marshal then across the
bridge like a bird yelling
good bye to the marshal who
was as afraid of us as a pack
of grey wolves. It took us
20 minutes to reach home, 3
miles. Oh, such a change I
can never forget.

cold and was nearly down sick in bed.
I bought two bottles of Chamberlain's

days until I was completely restored to
health," writes O J Metcalf, Weather-
by, Mo. If you would know the value
of this remedy ask anyone who has

Women of Sedentary Habits

Women who get but little exercise
are likely to be troubled with constipa-
tion and indigestion and will find Cham-
berlain's Tablets highly beneficial. Not
so good as a three or four mile walk
every day, but very much better than
to allow the bowels to remain in a con-
stipated condition. They are easy and
pleasant to take and most agreeable in
effect. Obtainable everywhere.

The Weekly Kansas City Star
and the Santiam News, both one
year for \$1.15.

Constipation and indigestion

"I have used Chamberlain's Tablets
and must say they are the best I have
ever used for constipation and indiges-
tion. My wife also used them for in-
digestion and they did her good,"
writes Eugene S Knight, Wilmington,
N C. Obtainable everywhere.
