

School Notes

The first basketball game of the season was played Wednesday evening of last week between the S H S boys and the K of P boys. Prof White was referee. Some of the High School girls were so loyal to their school that they cheered the town boys. Perhaps the S H S boys might have won the game if the girls had not cheered the other side.

A great treat is in store for the town people as well as the school this, Thursday, evening when the Willamette University Quartet will give a concert under the auspices of the S H S.

The teachers training class has been taking observation work again in the grades.

Miss Johnson spent the week end in Corvallis.

The spring weather is very conducive to the baseball players. In fact it is appreciated by every one.

Ask Kenneth White if he has been frightened with thoughts of leap year.

The Senior play has now arrived and the different characters have been chosen. Those who expect to take part are going to commence work at once.

Did you see the game between the Senior and Sophomore basketball girls? If not you missed an athletic contest well worth your time and money.

The Glee Club girls expect to give a concert in the near future.

A meeting of the Literary Society was called last week and it was decided to give class programs from this time on. The Freshman will give the first one and then the rest of the classes will follow in order. There will be judges at each program and at the end the one that has given the best program will be entertained by the rest of the classes. If every class is as determined to win as the Freshmen are there will be four good programs.

Roy Thompson was a high school visitor Monday morning.

The Senior girls are saying, "Look out for the red middies."

Several of the high school students are planning on attending the debate at Jefferson Friday evening.

A committee of two is appointed by either Miss Berryman or Prof White to report on current events in the mornings.

Prof White sprung a most delightful surprise on the school Tuesday morning when he told them they could have a half holiday that afternoon.

The Garland prize is offered to the seventh and eighth grades for English composition work.

Freda Thayer's many friends remembered her with a post card shower last week.

Although the Seniors all expect to leave high school this year they have decided to start a plan they hope will be carried out by the future graduates. That is to dedicate something to the school that they will be remembered by. This year the class will buy rose slips and plant around the school campus. Prof White has appointed three girls, Ledmela Kukacka, Inez Hiron and Sylvia Gooch as a committee with the assistance of Mrs A G Prill to select the roses.

(SENIOR EDITOR.)

Don't fail to hear the Willamette University Quartet Feb. 24, at the School Auditorium.

WHY THE BEST OF CHEWS IS "SPEAR HEAD"

Its Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chooses fine tobacco. The reason is that a good chew gets right next to your taste, while the leaf in plug tobacco is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of Spear Head.

Spear Head is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for Spear Head.

This choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into Spear Head plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try Spear Head, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10c cuts, wrapped in wax paper.

Farmers Take Notice

It is just as important that farmers keep an accurate account of all business done, as it is for the merchant or banker. How do you know whether your cows are eating her head off or your hogs paying for themselves unless you keep a record. Let us all be up to date and keep first class stuff only. A simple system of bookkeeping that can be kept by a child, is for sale right here in Scio. Wiley Gardner, the company's representative, who has placed many sets of this simplified bookkeeping system around Scio, may be found by any interested farmer at the Scio Hotel or at Hibler & Gill's store. Call and see him while he is here.

BILYEU DEN ITEMS

A P Rutter visited at the Geo Ray home recently.

Sank Hannah took dinner with J D Grimes Monday. He came after a light plow as several of his horses were sick. He said he was going to plow if he had to take the place of a horse himself.

Mrs Wortman and Lottie Rogers visited at the home of Jake Weidman recently. They enjoy the bracing air of Mt. Prospect.

The frogs say spring has come to stay, and the blue bells give consent by showing their pretty faces.

J D Grimes took Mrs W H Grimes and son to Scio Wednesday, the latter going for medical treatment.

E Wendt made a business trip to Scio recently.

A six year old child came running in the house saying, "Mama I'm so glad you taught me to be good and not let me have my own way and grow up like a band of little pigs." This mother never put anything out of baby's reach, and a more mischievous child I never saw, but baby was taught there were things it couldn't have. It was given things to amuse itself with and it soon learned to be content with what it could have. This took time but not near the time it takes to keep putting things out of baby's reach.

Prof Bilyeu had a little program at his school the 23d.

Miss Nelda Wendt visited at the Roy Worth home Saturday.

Mrs S B Cole visited at the Deich home recently.

Otto Cole is treating with a specialist at Salem for growths in his nose and throat.

W H Grimes and Ray Dobson are making rails and slashing brush for C Burmester.

Roy Worth and E Wendt are improving the looks of their places by putting

in a new line fence.

Roy Cole and family from Mill City are visiting relatives here. He works in the company's store and has been given a vacation of a week.

There was a singing given at S B Cole's Sunday night.

There was a party and lunch served at Sank Hannah's Saturday night. All enjoyed a good time. Part of the men were helping Sank doctor his sick horse which died later.

The Burton family and Mrs Cree went to Scio Saturday.

Miss Gladys Smith is visiting at Art Rhoda's near Mehama.

Mr and Mrs Weidman were visitors at the home of John Frost Sunday.

Mr and Mrs Roy Worth visited at the home of W H Grimes Sunday.

Boon Frost has sick horses. Farmers will have to get some of those tractors to do their farm work with.

S B Cole and family were Sunday visitors at the Mike Bilyeu home.

J J Hannah returned from eastern Oregon recently where he had been staying with his daughter, Marie McGee. He returned by way of Tangent where he visited his other daughter, Mrs Anna Powell. She accompanied him here Monday.

How Mr. Davis Got Rid of a Bad Cough

"Some time ago I had a very bad cough," writes T. Davis, Blackwater, Del. "My brother McCabe Davis gave me a small bottle of Chamberlain's cough remedy. After taking this I bought half a dozen bottles of it but only used one of them as the cough left me and I have not been troubled since." Obtainable everywhere.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

W. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists. Use

Take Hall's Family Pills for constipation.

Old papers 5 cents a bundle at the News office.
