Political Announcement

Having made the announcement some time ago that I would be a candidate for County Commissioner, subject to the wishes of the people at the Republican primaries to be held in May, I wish to give to the voters of the county a brief statement.

I have spent my life on the farm, the past 25 years on the old home place southwest of Shield, known as Twin Lake Farm.

I have been a permanent resident of this county for 37 years, and am familiar with the needs of the county and requirements of the people.

I will state that I stand for strict economy, yet I have always believed that whatsoever is worth doing at all, is worth doing well.

I favor a more uniform system of road building and firmly believe that we should spend more of our money and devote more of our time towards the building of crushed rock and gravel roads.

If I should be successful in receiving the nomination and be elected as one of your county commissioners, I will promise

the people of Linn county that I will do all in my power to conduct the business of this county in a business way, and that my actions, council and decisions shall be fair and impartial as I have no special favors to bestow upon any person or persons, firm, company or corporation, nor upon any particular community or part of the county.

Has Used Chamberlain's Cough Remedy for 20 Years

"Chamberlain's cough remedy has been used in my household for the past 20 years. I began giving it to my children when they were small. As a quick relief for croup, whooping cough and ordinary colds, it has no equal. Being free from opium and other harmful drugs, I never felt afraid to give it to the children. I have recommended it to a large number of friends and neighbors who have used it and speak highly of it," writes Mrs. Mary Minke, Shortsville, N. Y. Obtainable everywhere.

Envoy O. Gunderson, solicitor for the Salvation Army Rescue Home of Portland was here Wednesday on his annual visit to Scio.
