Now, altogether! Hurrah
for Scio!

Sure, we love everybody—
our wife included.

Cheer up, if you can; but
perk up anyway.

Experience is a good
teacher—when it teaches.

Only a wise man ever ad-
mits that he is a fool.

Gray hairs are honored by
all young people—except
squirts.

Great men are always great
—until they come down
with a thud.

Yep we are a confirmed
advocate of preparedness—
for the Sunday dinner.

If you would like to know
your neighbor's true opinion
of yourself, ask his kid.

About the only time we
enjoy seeing a fellow cough
is when he owes us a bill.

The optimist breeds golden
opportunities. The pessi-
mist is the father of misery.

The wise man listens when
others talk, but the fool gab-
bles on whether they listen
or not.

This is to be a great year
politically, but of course it
will not be permitted to in-
terfere with baseball or fish-
ing.

That presidential plum is
looking mighty big and juicy
to the horde of hungry patri-
ots squatting beneath the
tree.

Of course we will not
carry our neutrality to the
point of waiving our great
and glorious privilege of
electing a president in No-
vember.

Of course we are all sub-
ject to certain lapses of mem-
ory, but there is one subject
close to many hearts which
should never be lost sight of
for one single moment. That
is good roads; better roads
for this community. Think
it over; talk it over; push it
along with every breath of
life. We want better coun-
try roads.

Those dinged submarines
must be stirring up a hellofa
commotion among the other
monsters of the deep.

The old world still shuffles
along at its time honored
jog, in spite of wars and
rumors of wars.

Of course, mother, you
don't want your own dear
boy to be a soldier. Send
your neighbor's brat instead.

Query of the ages: Just
why does one woman kiss
another when so many wil-
ling men are waiting to be
sacrificed?

Ford's wonderful peace
pilgrims appear to be gradu-
ally slipping back to our
shores in both peace and ob-
curity.

Washington has been hav-
ing its own little war of late,
but fortunately the explo-
sives have been nothing more
serious than wind.

**AS GOOD AS
A CHEW OF
"SPEAR HEAD"**

That Means the Supreme De-
gree of Rich, Luscious
Tobacco Flavor

NO OTHER CHEW EQUALS IT

Nature varies the flavor she puts into
the different grades of tobacco leaf—
and the best of all is the flavor of
choice red Burley that pleases you so
mightily when you chew Spear Head.
The delicious fruity flavor of a chew
of Spear Head is a revelation to the
man who has never chewed or who has
been chewing near-pood tobacco.
For chewing is the one way to get
all the wholesome, healthful, appetizing
flavor of the tobacco leaf—providing
you chew a high-grade plug like Spear
Head.
No other tobacco can compare with
Spear Head in the wholesome satisfac-
tion it gives.
You get more savory sweetness in a
chew of Spear Head than in a whole
plug of ordinary tobacco.
And you get it in its purest form—
for Spear Head is made amid the most
wholesome surroundings, in a great
new factory that's kept absolutely
clean and sanitary.
Try this rich, mellow, satisfying, pure
chew. Such a chew cannot be obtained
in any other tobacco than Spear Head.
In 10¢ cuts, wrapped in wax paper.

A Specific Against Colds
The nearest thing to a specific against
colds is a sleeping porch or open bed
room and a cold sponge bath every
morning when you first get up. Even
then you will occasionally take a cold,
especially when colds are epidemic and
when you do you will find Chamber-
lain's cough remedy a great help in en-
abling you to get rid of it. Try it. Ob-
tainable everywhere.

Don'ts
Don't hang that cow hide or
sheep pelt on the fence. Bring
it to the Scio Produce Co. and
get a top price for it.

Keep Your Bowels Regular
As everyone knows, the bowels are
the sewerage system of the body, and
it is of the greatest importance that
that they move once each day. If your
bowels become constipated, take a dose
of Chamberlain's tablets just after sup-
per and they will correct the disorder.
Obtainable everywhere.
