Pay Your Subscription and be
Happy on the Way

C P Brown of Shelburn sends the money to pay for another year's subscription.

J M Pollard sends remittance from Faribault, Minnesota, to cover 1916 subscription, and says, "Kindest regards to Scio friends."

T A Richardson has pushed his subscription up to the limit.

G M Finley, who was transacting business in town last Friday, came in and placed himself in good standing for another year.

C C Wade handed us a big life preserver the first of the week, but as he tries to keep his left hand from getting wise to the stunts his right hand pulls off, he doesn't care to have the fact made public.

Dr. Turner, the Eye Specialist, Coming

Dr J G Turner, formerly of Lowe & Turner, eye specialist of Portland, will be in Scio again Saturday April 15 at Scio Hotel. Don't fail to consult him about your eyes and glasses. Headaches relieved, cross eyes straightened. No charge for consultation or examination. Be sure and let Dr Turner show you the new double vision glass, without lines or seams to catch the dust, strain the eye or come apart. One light solid piece of glass that looks like a single pair, yet answers the purpose of two, enabling you to read or do close work and see distant objects perfectly. Free demonstrations; satisfaction guaranteed. Dr Turner will make regular trips every two months in future. Don't fail to consult him. Don't forget the date.

Card of Thanks

We take this means of expressing our heartfelt thanks to the kind friends and neighbors who so kindly assisted us during the illness and death of our beloved husband and father and also for the many beautiful floral offerings.

It will pay you to call Densmore, the Scio Produce man, for prices before shipping your chickens, veal, hides or dressed pork.

Notice to Cream Producers

The Hazelwood Scio Cream Station is operating in the Scio Produce Co. building, and is being patronized very liberally. We have a fully equipped testing station and guarantee a just test to all and will pay top prices for cream, which means as much as other cream buyers pay for 1 and 2 sour, and 2c extra for sweet cream. Give us a trial.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Tuxedo Nights

by Walt Mason

When the day's work's done, and the good old sun has sunk in the well known West, then I stretch my form by the fireside warm, I sit at my ease and rest. Then I take my pipe which is mildly ripe, as the pipes of good smokers are, with a chortling soul then I fill its bowl from my glass Tuxedo jar. And I smoke at ease, and my trouble flees to the place where dead troubles go; and my worries seem, in my waking dream no longer to have a show. And I say, "Indeed, it's a noble weed that drives all the ghosts away, and clamps the lid on the cares that skid around through the busy day. The worries and woes and such things as those in the daytime leave their scar, but there's rest at night and a calm delight in my glass Tuxedo jar."
