

Mrs. Mylo Bartu Deceased

Emma Bartu, born May 14, 1891 in Barton county, Kansas, died April 5, 1916 of heart failure in Gardena, Cal. Surviving her are her husband, Mylo Bartu; father and mother, Mr and Mrs Albert Young; four sisters and three brothers, namely: Mrs Frank Stupka and Edward of Gooch; Mrs Oscar Lindley, Misses Clara and Rosa, and William and Steve of Scio.

Two services were held Sunday, the first at the house by H B Iler when a beautiful song was sung in the Bohemian language and "Nearer My God to Thee" in the English language. The remains were then taken to the Franklin Butte cemetery, where two services were held, one being conducted in Bohemian, and the other by Rev H B Iler. An extra large attendance was present at the cemetery and many beautiful bouquets and wreaths produced by the hot house and natural sources were contributed to the deceased.

Two letters were sent to the husband from their home at Gardena, Cal, one from the club of which Mrs Bartu was a member, signed by all the members, which tendered their heartfelt sympathy to the bereaved husband; the other was of like manner from the High School of Gardena, of which Mr Bartu is a member of the faculty.

Should Not Feel Discouraged

So many people troubled with indigestion and constipation have been benefited by taking Chamberlain's tablets that no one should feel discouraged who has not given them a trial. They contain no poison or other digestive ferments but strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.

WHY THE BEST OF CHEWS IS "SPEAR HEAD"

No Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chews *plug tobacco*. The reason is that a good chew gets right next to your taste, while the leaf in *plug tobacco* is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of Spear Head.

Spear Head is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for Spear Head.

This choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into Spear Head plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try Spear Head, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10c cuts, wrapped in wax paper.

We make a specialty of Friendship, Engagement and Wedding rings—F M French & Son, Jewelers and Engravers, Albany.

Splendid for Rheumatism

"I think Chamberlain's liniment is just splendid for rheumatism," writes Mrs Dunburgh, Elbridge, N Y. "It has been used by myself and other members of my family time and time again during the past six years and has always given the best of satisfaction." The quick relief from pain which Chamberlain's liniment affords is alone worth many times the cost. Obtainable everywhere.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity, Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
