

N. M. Newport of Lebanon

Candidate for the Legislature

N M Newport of Lebanon, who is a candidate for the legislature from Linn County, is the only candidate for that position from the north half of the county, there being three to nominate and there being five candidates, the other four being from the south half of the county.

Mr Newport has lived in Oregon for more than 30 years and has lived in Linn county for 24 years, 14 years in Albany and 10 years in Lebanon. He has grown up in Oregon and was educated here in the public schools and at Willamette University at Salem, where he took the full college course and graduated with high honors. He also graduated from the law school and he did this with his own unaided efforts by baching and doing janitor work.

He was raised on a farm and his people have all been farmers and he owns 160 acres of land in Linn county. He has always been interested in farm and farm life. He has become by his own industry and efforts one of the substantial tax payers of the county. He is married and has a wife and two daughters, both the daughters now being in the high school. He has been a strong friend of the public schools and has taken a deep interest in school affairs. He has been one of the best friends the young men in the school have had and has assisted a number to complete the high school course. For several years he has furnished the high school with an athletic field free. But he is a strong advocate of strict economy in public affairs. He believes that the people are entitled to a dollar's worth of results for every dollar of public funds expended.

If you believe him the right kind of man to represent the county in the legislature, then vote for him at the primaries May 19.

SANTIAM FARM TOPICS

G A Griffin and Billy Richardson went to Gresham Saturday to purchase a fine registered buck sheep so as to keep up their stock of fine sheep.

M C Gaines took a load of hogs to Lebanon the last of the week, also 25 head of beef steers.

George Bilyeu will leave one day this week for Montana with a fine bunch of young cattle for breeding purposes and will spend some three months to see how he likes the country.

Mrs Clara Griffin is contemplating starting soon for Burns to visit her daughter, Mrs Veva Sturges.

The Santiam Berry Farm will have strawberries ready for market by the 15th of May at the same old prices. Gooseberries ready by May 20 at 20c or the bushes. I'll clean them if dry picked, free. I'll gather clean for 25c. Do not wait until they are all gone come by the 1st of June.—S W Gaines.

Mrs Rebecca Morris of Scio was out the past week visiting her sisters and recruiting up since getting her side all stove in and mashing up a whole side of ribs from falling across the corner of a box.

On May 7, S W Gaines picked his first strawberries. The Oregon May crop shows up fine, will soon be able to furnish berries.

Mrs Dean Bilyeu who has been at Lebanon the past month returned home Sunday bringing with her a fine baby boy which Dean is as proud of as can be.

The Santiam Farm still has a little loose hay to sell at \$10. per ton.

—so now there's no need to sacrifice pride to economy

Now for the first time your sense of pride and strictest economy are fully satisfied in one and the same car. Never before has a stylish, comfortable, completely equipped car been offered at anywhere near so low a price. This Overland costs only \$695. But it is every inch an Overland—a perfect beauty. Though a small, light, economical car, it is roomy, strong and powerful. And it is absolutely complete to the last detail. Of course it is electrically lighted and started; and the electrical control buttons are located on the steering column—right at your finger tips. As for easy riding, this newest Overland is not to be compared with any other car of its size. The buoyant cantilever rear springs, the deep, soft upholstery, and large tires provide real riding comfort. You should have a car this spring—and if you want top class at bottom price, it must be this Overland, for no other car meets both these requirements. The demand for this car is in excess of the factory's capacity. Order yours now, to avoid delay. See me right away.
