FOOD FOR THE MIND

Never was there a time in the history of this country when the people at large were as constant and inveterate readers of newspapers as they are today, and this is especially so in the matter of newspaper advertising.

People who a few years ago would hardly look at an advertisement now digest every word in it, and they do it with a purpose. The human mind is broadening and expanding and becoming more liberal. It demands food, and particularly that class of food that conserves the financial interests of the reader. And the well worded advertisement appeals directly to every well balanced mind. It points the way to economy.

And the wise business man advertises accordingly.

We advocate preparedness in this shop. We are prepared to receipt subscriptions six days in in the week, and if you can't get around in the six days we'll grab it on Sunday without batting an eye or turning a hair.

People have become over weary and have quit yelping over the high cost of living. Which, we opine, is a sure sign that the boosters are about due for another boost.

Scientists are now making war material out of about everything but wind. That, however, is eternally mortgaged to the politicians.

War or no war, we note with pride that the farmer, like the industrious honey bee keeps right on buzzing away.

We want an airship. We want get up among the clouds and see if we can locate the cost of living.

Mexico is like unto the bad boy who wants to fight but only hangs back for fear of getting licked.

No, no, the prices of printers' commodities are not up in the clouds. They are above the sky.

The biggest critic is himself the most logical subject of criticism. Don't be a crit.

We always did admire a brave man. But then, timid men invariably do,

Kick the kicker before he kicks you.

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.
