Last Friday evening a few of the Scio business men took dinner at the Scio hotel with B F Irvine, editor of the Portland Journal, who delivered the Commencement address at the school auditorium. Beside the guest of honor, those from out of town, present at the dinner were, Mr Irvine's

brother Commissioner Irvine of Albany, and Hon S M Garland and Mayor Underwood of Lebanon. After the dinner several short speeches were made, chief among which was one by Mr Irvine who spoke feelingly of his boyhood and early manhood which was spent in Scio. For a man who is treading life's pathway with sightless eyes, Mr Irvine is one of the most notable and remarkable figures on the Coast, and is a help and inspiration to everyone with whom he comes in contact. The writer has always felt that blindness was one of the worst calamities that could befall one, but after hearing Mr Irvine's address at the school auditorium, meeting him, conversing along general lines, and seeing the happy optimism with which he meets

life's problems, blindness seemed to be robbed of its terrors. Truly, B F Irvine is a big man.

The Perfect Tobacco for Pipe and Cigarette

The original "Tuxedo Process" of refining mild Kentucky Burley, mellowed by 3 to 5 years' ageing, positively removes every particle of harshness and "bite".

—so now there's no need to sacrifice pride to economy

Now for the first time your sense of pride and strictest economy are fully satisfied in one and the same car. Never before has a stylish, comfortable, completely equipped car been offered at anywhere near so low a price. This Overland costs only \$695. But it is every inch an Overland—a perfect beauty. Though a small, light, economical car, it is roomy, strong and powerful. And it is absolutely complete to the last detail. Of course it is electrically lighted and started; and the electrical control buttons are located on the steering column—right at your finger tips. As for easy riding, this newest Overland is not to be compared with any other car of its size. The buoyant cantilever rear springs, the deep, soft upholstery, and large tires provide real riding comfort. You should have a car this spring—and if you want top class at bottom price, it must be this Overland, for no other car meets both these requirements. The demand for this car is in excess of the factory's capacity. Order yours now, to avoid delay. See me right away.
