This is a melancholy year for democratic favorite sons.

When a fat girl has a rich father she is not fat. She has a Becoming Enbonpoint.

Being a provisional president seems to be just about as exciting in Ireland as in Mexico.

Paul Revere was not given

time to organize a preparedness parade or he might have done so.

If the Irish must fight, it is understood that there are excellent openings in France and Flanders.

Mr Edison says there will be no poverty in a hundred years. There certainly won't be any for us.

Our army is to be increased by 80,000 men; one-tenth of the number Germany has at Verdun alone.

Germany must be greatly amazed to learn that Wilson was a professor of history and not of belles lettres.

We shall be much more heartened when we hear of preparedness parades in St

Louis, Milwaukee and Cincinnati.

Billy Sunday has converted several baseball players, but we shall feel less skeptical when he corrals a few umpires.

With even the liquor wholesalers getting after him the drunkard may as well begin to consider the error of his ways.

People in England are to get up an hour earlier. They should have got up about twenty years earlier for their present peace of mind.

Beef is said to be selling for \$1 a pound in Berlin. At this news American packers will weep copiously because they are not on the ground in Berlin.

What Berlin simply can't understand is why, while the British were about it in Dublin, they didn't kill a few hundred women and babies, just to prove their skill.

Three hundred and twenty-five railroads went through the last fiscal year without a single fatality to a passenger in a train accident. The "safety first" campaign has amply justified itself.

### "SPEAR HEAD" AN OLD TIME FAVORITE

The Most Popular Chew for a  
Third of a Century

**PURE, RICH, FRUITY-SWEET**

The man who chews gets by far the most wholesome enjoyment and satisfaction out of tobacco, especially if he chews plug tobacco. The rich juices of the leaf are retained in good plugs better than in any other form. For more than a generation Spear Head has held first place as the favorite high-grade plug chewing tobacco.

This unique distinction is due solely to the wonderful quality and flavor of Spear Head—the richest, mellowest, tastiest chew in the whole world.

Spear Head is the choicest of all red Burley, hand-stemmed and made into mellow-sweet plugs in a perfectly clean, most sanitary factory.

You can't chew the flavor out of Spear Head, because it's a part of the tobacco. That rich, ripe, red Burley taste keeps on pleasing you as long as you keep on chewing.

Chew Spear Head and you'll be chewing the purest and most satisfying tobacco that it's possible to make. In 10c cuts, wrapped in wax paper.

### Stomach Troubles and Constipation

"I will cheerfully say that Chamberlain's tablets are the most satisfactory remedy for stomach troubles and constipation that I have sold in thirty-four years' drug store service," writes S. H. Murphy, druggist, Wellsburg, N. Y. Obtainable everywhere.
