Almanacs.

It is still contended by many authorities that the almanac of 1497 was the first specimen of printing, and it has been variously credited to Gutenberg, Schaeffer and Pfister of Bamberg. Dr. Faustus, celebrated in legend, whose strange story has been immortalized by Marlowe and Goethe, was the accredited author of almanacs containing astrological signs (retained at the present day) and necromantic secrets.

The Other Party.

"I want you to put in your 'Lost and Found' column an advertisement like this: 'Wallet containing a considerable sum of money and papers. Finder will keep money; return papers.'"

"Don't you think," suggested the clerk, "you had better add 'no questions asked?'"

"No. But you may say 'no questions answered.' I'm the finder."

The Tuxedo Hour

by Walt Mason

Tuxedo's bully all the time; it makes the passing hours sublime, and by its soft and gracious curves it soothes the soul and rests the nerves, and fills my bosom, once again, with peace on earth, good will to men. But best I like it when I've fed this face of mine with jam and bread. When I have dined on Irish stew and beans and boiled potatoes, too, and pie and eggs and cheese and tripe, 'tis then I best enjoy my pipe. When from the table I withdraw, I grip my briar with my jaw, and fill it with Tuxedo mild — the pure Tuxedo undefiled — and smoke away in perfect bliss; no pleasure can compare with this. And in the curling smoke I see a world that seemeth good to me. A world that's debonair and gay, its woes and worries done away. The plans that seemed foredoomed to fail, the work that seemed of no avail, now wear the rosy glow of hope, and I endorse all sunshine dope. 'Tis thus in my Tuxedo hour; the world that seemed so dark and dour, is blooming like a rose of spring, and I'm in mood to laugh and sing.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.
