South Main street from the bridge is being put on grade by the wide-awake property owners on that side, and paving is talked of strongly. They are out to show the people on the north side of the creek how the town would look if the streets were improved. It will look nice to see the main business part of town a mud hole next winter, and the south end of the street extending to the residence section, looking like a city street.

YOUR SUBSCRIPTION EXPIRES on the date stamped in the space below. To those who pay promptly in advance the subscription price is \$1.25 per year. The price is \$1.50 if paid at end of year. The paper is not sent to subscribers who are more than one year in arrears.

School Meeting
