

Stop, Look and Listen!

We are in the market for practically anything you have to sell, having an Hazelwood cream station working in conjunction with us in the same building.

Bring us your eggs, poultry, hides, veal, dressed pork, cas-cara bark, CREAM, etc.

Our Hazelwood representative, Mr O R Turner, who came here from North Yamhill, leaving many satisfied patrons, who regretted his leaving them, has charge of the handling and testing of cream and will treat you right.

We are in the market for 50 stock hogs, weighing from 100 to 125 lbs. If you have any for sale, call us up.

Now let's get together and elect him.

Tappers on the Oyster Bay wire will never hear any weasel words.

Apparently they used mental suggestion in vain on Col. Roosevelt.

In failing to leave any will James J Hill registered a silent note as to what he thought of lawyers.

Somehow, one hears far less complaint than formerly, from persons who can't afford an ocean trip.

Women who favor suffrage show their grasp of politics by splitting up into rival factions, just like men.

Partisan politics should have no place in the army or the navy or in any congressional dealing with them.

A long pull, a strong pull and a pull all together and we will have another good Republican in the White House.

A German scientist has discovered that women talk more than men. What a marvelous thing science is to be sure!

A dose of democracy for four years has never failed to make the country sick of

them. Now we are going to get rid of them.

Classifying the demand for preparedness as "hysteria" threatens to bring the medical experts into the congressional controversy.

The Philadelphia lawyer who says the automobile promotes religion probably never had a blowout about twenty miles from nowhere

Recall the line in the Mikado about making the punishment fit the crime? Well a Chicago girl has married the man who tried to kidnap her.

Another fruitful source of accidents is the sporting instinct which inspires people to see whether they can cross the road ahead of an oncoming automobile.

To the woman who has given her best loved to her country, the peace that is hovering over those ghastly European battlefields will appeal as the peace better late than never.

A larger crowd than usual attended Sunday School and church Sunday as it was the last day of the contest. As Chatter Box

was captain of the Blues, which proved to be the champion, she feels well paid for the time spent with lots of knowledge thrown in.

Most everyone rejoiced to see the rain as it was badly needed.

Chatter Box had to visit the strawberry patch last Tuesday and so forgot the News. Will try not to do so again.

Esten Stewart of Albany spent Saturday and Sunday at the home of his uncle, Will Grimes.

"A pipeful of Tuxedo is a wonderfully pleasant form of tobacco enjoyment, mild and soothing."

D. W. Griffith

Scores of Big "Movie" Men—

Producers as well as actors, are constant smokers and outspoken friends of Tuxedo. It's just the soothing, restful, refreshing smoke men of their nerve-racking vocation need. Nothing calms and comforts a smoker like a pipe of mild, cool, sweet Tuxedo.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is aged from three to five years in wooden hogsheads to make it mellow and sweet flavored. But the thing that takes out all the bite and harshness and makes Tuxedo so bland and gentle that it can't hurt the most sensitive tongue or throat, is the famous and exclusive "Tuxedo Process."

One week's trial of Tuxedo will show you.
