

BRIDGE TOWN HAPPENINGS

The recent showers makes us all smile as it was sure needed.

Jorie Gaines came up Monday morning from Portland on business in regard to selling a school site from his property to District 83, but it was agreed to buy the site of Z J Clark.

Z J Clark and family motored to Salem last Sunday for a visit with relatives.

Forethought

People are learning that a little forethought often saves them a big expense. Here is an instance; E W Archer, Caldwell, Ohio, writes: I do not believe that our family has been without Chamberlain's Colic, Cholera and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.

SANTIAM FARM TOPICS

The lovely rain came just in time to save the late grain and gardens, so now we can have some assurance of pulling through another year.

The cheese factory is moving along nicely with Mr Severence as manager, getting most all the milk they are able to handle at present, and turning out as fine a quality of cheese as any one could wish for.

The Santiam Farm is now out of strawberries, but has a fine supply of loganberries, currants, pie or Kentish, and early and late Royal Anne cherries, some gooseberries—all for 20c in the trees or bushes, 25c gathered. Will soon have Himalaya blackberries as fine as ever grew. Thanking my old patrons for past favors and will still appreciate them in the future. - S W Gaines.

At our school meeting in Dist 77 Monday Thomas Small was re-elected director for 3 years, and Mrs Lock was re-elected as clerk and all business was satisfactory.

There seems to be nothing strange or wonderful in this locality of late.

AS GOOD AS A CHEW OF 'SPEAR HEAD'

That Means the Supreme Degree of Rich, Luscious Tobacco Flavor

NO OTHER CHEW EQUALS IT

Nature varies the flavor she puts into the different grades of tobacco leaf—and the best of all is the flavor of choice red Burley that pleases you so mightily when you chew Spear Head.

The delicious fruity flavor of a chew of Spear Head is a revelation to the man who has never chewed or who has been chewing near-good tobacco.

For chewing is the one way to get all the wholesome, healthful, appetizing flavor of the tobacco leaf—providing you chew a high-grade plug like Spear Head.

No other tobacco can compare with Spear Head in the wholesome satisfaction it gives.

You get more savory sweetness in a chew of Spear Head than in a whole plug of ordinary tobacco.

And you get it in its purest form—for Spear Head is made amid the most wholesome surroundings, in a great, new factory that's kept absolutely clean and sanitary.

Try this rich, mellow, satisfying, pure chew. Such a chew cannot be obtained in any other tobacco than Spear Head. In 10c cuts, wrapped in wax paper.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; and even out of the ear cannot be restored, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
