#### THE SPIRIT OF THEN AND NOW

When war with Spain was declared in 1898, thousands of young men left their employment and went to the front in defense of their country. When the war was over these young soldiers returned home and in a majority of cases found their jobs filled by other people and themselves out of employment and without prospects for the future. Such was the reward of valor in 1898.

Today thousands of the principal business institutions of the country are announcing that all members of the National Guard who have responded to the president's call will not only find their jobs waiting for them on their return but will have their full salaries paid to their families during their absence. Such is the spirit of 1916.

Germany's plan of feeding the people in municipal kitchens, threatens to deprive the housewife of the ancient privilege of firing the cook.

It is the central states need arousing to preparedness. The coast and border states are aroused by their own manifest needs.

The fact that the pen is

mightier than the sword does not induce Col. Bryan to toss it into the plowshare heap.

Now that Mutt is running for president with Jeff as his loyal supporter, things look bad for the other candidates.

To the forward drive of the cantaloupes the consumers succumb without a struggle.

"Congressmen," says an ex, earn \$625 a month." Not at all. Congressmen get \$625 a month.

If Russia has the dictating of the peace terms, we are sorry for the stenographers.

To congress the squeal of the porker is more musical than the coo of the dove.

#### THOMAS CREEK JOTTINGS

Mrs Anna Powell who has been visiting at the home of her father J Hannah left Friday for Hoquiam, Wash, where she will join her husband who has secured employment there.

Mike Bilyeu returned from Echo Saturday, coming by way of the Philomath roundup. He reports everything moving along well in eastern Oregon.

Mrs Solomon Grimes of Shelburn is visiting with her sons John and Will Grimes.

Frank Grimes and family of Shelburn who were on their way to visit his brother Will, met with an accident Sunday which might have resulted seriously, but as it was they received only slight bruises. They were driving near the Shindler school house when one of the single-trees broke which frightened the horses, causing them to overturn the buggy and run away. Fortunately they broke loose from the buggy and ran to Bert Hollis' place where they were soon caught by Walter Williams and the Shindler boys. Only slight damage was done to the harness and buggy.

Mrs Jake Weidman was a Sun-

day visitor at the Eli DeLong home.

Jake Wortman, Johnny Shelton, Clarence Dourty and Wm Broutherton took in the Philomath roundup Friday and Saturday.

Mrs Hamon Shelton and Mrs Pritchard of Jordan spent Friday at the home of the former's mother, Mrs Nancy Bilyeu.

Mrs John Neal of Jordan spent Friday with her sister Mrs Clyde Rodgers.

Mrs S B Cole drove to Mill City Thursday for a few days visit.

Fred Grimes and wife of Jordan spent Sunday afternoon at the home of Will Grimes.

Frank Libby of Jefferson was buying sheep in these parts last week.

Don Ray and Gilbert Garland are sawing wood in Monkville these days with their new drag saw.

Everyone big and little, great and small, old and young, short and tall, attended the picnic Sunday. Wish the Blues could win another championship, may be we could have another one.
