

UPPER SANTIAM EVENTS

GATES

Henry Hesseman has been employed by the timber association as warden. He formerly served as warden for the U. S. He and Eph Hennes twenty years ago made miles of trails up at and around Detroit.

A T Powell of Scio was seen recently hanging around Gates. No widows up here.

Lincoln Hennes and family have been here from Ellensburg visiting Ed Davis, J L Turnidge and other relatives and families. "Link" is general agent for the McMinnville Insurance Co.

T Hennes built a garage for his new Ford. While putting on the roof boards, he fell off. The result was two ribs broken and two weeks in bed. "Tee" lives on part of the farm that his father bought 60 years ago. The old gentleman built a double log house for a hotel. It was the stopping place in the days of the Quartzville stampede. There were five brothers in the family. The boys spent a large part of the time, when they were kids, in the mountains hunting. They killed deer and cougars by the carload. The women folks made gloves of the hides after being tanned and they transformed the cougar skins into robes and rugs. The gloves sold for \$1.50 per pair and the rugs from \$10 to \$25. The old man made a business of raising bees in hollow logs and boxes a foot square that stood 5 feet high. I saw him in 1883 fill a whiskey barrel full to the brim of clear elk weed honey and shipped it by wagon to Turner on its way to Portland. Turner was the way station in those days.

The Black Eagle concentrator is to be started soon. It is reported that the Ogle mountain mine has been sold for \$125,000. The report that the Black Eagle had been sold for \$100,000 seems to be a mistake. An agent of the Guggenheims bonded it, or did offer to bond it for \$40,000. The G's will take in all the Elkhorn mines if they can get them "dirt cheap." A stockholder says that the three Shire brothers, who promoted the mine in the first place, hold the controlling interest and will not sell. The "controlling interest" may mean that they and others have pooled their shares and control the majority of stock.

If you want to get in on a good thing try Crown stock.

Mr Oakley is very busy with his pack train freighting to Quartzville.

MILL CITY

Mrs Smith has gone to cook for the Crown mine people.

Newt Weddle stopped off to visit his brother.

Miss Blomquist, daughter of our dentist, and Ralph Phillips were married recently. They will make their home at Detroit.

Varda Shelton and John Frost two gentlemen of Jordan, came up on business recently.

The Hammond mill cuts over 300,000 daily.

County Surveyor Geddes came up recently to do private surveying at Fox.

The Potter mill will run only as a shingle mill in the future. They will cut and ship the logs to the valley.

The school fair will be held in October.

The Hammond Co agree to pay certain wages to all recruits that leave for service. Places

will be held for the skilled men.

Bert Turnidge has been excused from federal jury service until September.

The Deutschland trip has delivered England a solar plexus blow from which she can never recover. One can scarcely realize at first the change it is going to make in the welfare of nations in the future. England claimed that she ruled the seas. The U S knocked the chip off her shoulder during the Revolutionary war and the war of 1812. Wilson is ready to do it again, but the Deutschland simplifies his task. England has lost arbitrary control of the ocean. It will be impossible to "bottle up" even a small nation in the future. It is the event of the age. Nothing of so much moment since Columbus discovered America. It is the beginning of the downfall of the British empire. John Bull will be slow to see it.

I am not a Democrat nor the son of a Democrat, but if I had \$50 lying around loose I should take my old friend, Billy Brenner, up on his bet offer of \$60 to \$50. Who has sand enough to make him happy?

The Best Laxative

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move once each day. When a medicine is needed take Chamberlain's tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

Card of Thanks

To all the friends whose sympathy and services were so kindly tendered in our time of bereavement, in the death of our beloved wife and mother, and also for the beautiful floral offerings, we desire to extend our sincere thanks.

Geo. Gibbons and Family.

Just the Thing for Diarrhoea

"About two years ago I had a severe attack of diarrhoea which lasted over a week," writes W C Jones, Buford, N. D. "I became so weak I could not stand upright. A druggist recommended Chamberlain's colic cholera and diarrhoea remedy. The first dose relieved me and within two days I was as well as ever." Many druggists recommend this remedy because they know that it is reliable. Obtainable everywhere.

Biliousness and Stomach Trouble
"Two years ago I suffered from frequent attacks of stomach trouble and biliousness," writes Miss Emma Verbyrke, Lima, Ohio. "I could eat very little food that agreed with me and I became so dizzy and sick at my stomach at times that I had to take hold of something to keep from falling. Seeing Chamberlain's Tablets advertised I decided to try them. I improved rapidly." Obtainable everywhere.
