

UPPER SANTIAM EVENTS

Dog fennel is growing fine. Grey diggers are plentiful. If the gophers throw up fresh dirt over night, haul in your hay.

Misses Dayse Geddes and Noza Crabtree sojourned at Breitenbush hot springs a few days recently.

Dr Skiff of Salem and another man each have rented a part of the grounds from the U. S. Mr Skiff's mother is a Gardner who lived at "Fox" years ago. They lived at Scio at one time.

Henry Hasseman and a helper have built a phone line over the mountain from Thomas creek to Rock creek; also repaired the line from the head of Rock creek to Mill City. Mr H at present goes to the highest peak at the head of Rock creek and stays there from 8 a m to 4 p m. He has a phone station there. It is needed if fire starts.

The Clement Co is shipping logs to Gooch from Gates and is running the Gooch mill.

Com. Butler is building a cement pier under the Mill City bridge. It is said that the Hammond Co will give the lumber for a new bridge if the counties will move the bridge down stream 16 feet. Long timbers running on rollers strike the present bridge at times.

The Hammond Co is building 4 railroad extensions—one at Detroit, the main line up Quartzville way, a loop up little Rock Creek and a branch line from near their log pond southwest through what is known to many News readers as the Dick Mayo place. A Mr Raines with a crew is surveying a branch from the branch which will run down towards Gooch along the foot of the mountain. Mr R is a son of Chas Raines of Lacombe.

Where is Pie Eater?

Frank Potter received \$10,000 insurance on his mill.

T B Barnes and wife received a visit from their daughter Jessie and husband of Salem.

Mr and Mrs W R Ray of Mt Pleasant passed on down the road after spending the summer at Breitenbush.

One of the most pleasing auto trips that can be taken from the valley is to run up to Niagara and eat a picnic dinner under the shelving rock wall in the shade. I had better say that the autoist should cross the river at Gates, then an auto can be driven to the falls. The county road on the Linn side is not open all the way.

Rumor has it that A T

Powell fell in the Elkhorn river. They say a bottle was found at the spot where he fell in. That must be a libel. Abe is a prohi.

E Shephard of M C has sued for an accounting of his father's estate. All of the family, the old gentleman and five brothers, ran stock on the range in eastern Oregon off and on during the past 30 years. Morgan and John brought bands of horses over to the Santiam valley to sell each summer for several years. The old man settled on 80 acres which is now a part of the townsite of M C, in 1883. From 1896 to 1907 he raised stock in eastern Oregon. He came back and settled in Mill City, afterwards buying a farm three miles above Sodaville in the hills, where he was when he died. It is claimed that undue influence was used when he disposed of his property.

Jitney dances are the aristocratic custom in Mill City now. You pay a nickel each time you dance.

The European war has simmered down to a contest between England and Germany over right of way to the Orient, with Russia grabbing all the territory she can get. It would be a fine thing if some enterprising nation could get that old Babylonian empire land including Ur of the Kaidees and the Garden of Eden. It was wonderfully productive once and could be made so again.

Liver Trouble

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Iowa. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlains tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.

The Best Laxative

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move once each day. When a medicine is needed take Chamberlains tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

What Pineapple Juice Will Do

Pineapple juice and pepsin are now extensively used in the treatment of stomach and bowel troubles. They give strength and tone to the digestive organs. The right proportions are found in Natol Pineapple Pepsin Compound. This is a new medicine sold by Chas. A Everett, over the manufacturer's guarantee.

The K of P band boys will give a bowery dance at the Fair Grounds each evening of the Fair.

Just the Thing for Diarrhoea

"About two years ago I had a severe attack of diarrhoea which lasted over a week," writes W C Jones, Buford, N D. "I became so weak I could not stand upright. A druggist recommended Chamberlains colic cholera and diarrhoea remedy. The first dose relieved me and within two days I was as well as ever." Many druggists recommend this remedy because they know that it is reliable. Obtainable everywhere.

Could He Arrest a Cold?

A man was appointed detective for a railroad company, and he showed his authority at every opportunity. While riding in a coach one day he heard a little boy behind him sniffling.

The detective turned to him and said, "Have you a pocket handkerchief, my little man?"

The boy replied, "Yes, sir, but mamma said I shouldn't lend it to everybody."—Christian Herald.

Exposing Her Hand.

Little Brother (whose sister is playing cards with a gentleman)—Mr. Smiler, does Minnie play cards very well?

Mr. Smiler—Yes; very well indeed.

Little Brother—Then you had better look out. Mamma said if she played her cards well she would catch you.

A Quick Dodge.

Walking along Wall street the other day, he was accosted by a shabbily dressed man evidently armed with a hard luck story.

"I beg pardon, sir," began the stranger, "but could you help a poor man along? Now, I'm not looking for money, sir, but—"

"Well," came the almost breathless answer, "if you're not, I am. Good day."

And in a moment the young man was halfway down the street.—New York Post.
