## County Fair is On

After raining and threatening for a few days, the weather cleared up Tuesday, and Wednesday, the opening day of the fair was as fine as one could wish for. The attendance was not very large, but will perhaps average up with usual opening days.

Gov. Withycombe was here and formally opened the fair in a brief speech. He reviewed the stock parade, and visited all the exhibit pavilions.

Many splendid exhibits are on hand this year, which are worth coming far to see, the school exhibit being the best in the history of the fair, but of all this a more extended notice will be given next week.

The merry-go-round, Ferris wheel and other amusements are in evidence, and the steam pipe organ's "When You Wore a Tulip and I Wore a Big Red Rose," can be heard running in opposition to the Scio K of P Band most any time of the day.

Bowery dances at the fair ground and picture shows at town in the evening, furnish varied amusement to suit all tastes.

Harness and running races, fat stock and poultry, not to mention the big bull tractor, are of interest alike to the sportsman and the farmer, but the big attraction, at least for the writer, in the amusement line is Herbert A Munter and his big biplane. He is right there and delivers the goods every time. Two flights were made Wednesday and two more are billed for today. His death dips and looping will make the most sluggish pulse pick up a few beats. But we are going to quit and go to the fair now.

Five young Berkshire sows for sale at \$10 each; will farrow soon.—Sanitary Market.

We are paying 1 3-4 cents per pound for Evergreen blackberries. Denmore-Wade Co.

Mrs Carrie M Goins, wife of John H Goins of Albany, died Sunday morning at 3 o'clock at St Mary's hospital at the age of 43 years. Death was caused as a result of uric poisoning. A child was born Saturday, but it died before the mother. An operation was necessary and she was taken to St Mary's hospital where everything possible was done to save her life. Her death is a shock to her family and a large circle of friends, both here and in all parts of the state, where she was known through her excellent work in the Rebekahs and the Degree of Honor. She was a native of Linn county, being born on the farm of her father, James H Peery, which is located 18 miles east of Albany. She is survived by her husband and eight children, four brothers and four sisters. Three of the brothers, Robert, Roy and Rex Peery live on the old home farm near Providence, the others living at a distance.
