QUESTION CRAZE SEIZES THE G.O.P.

Democratic WORLD Long Had Monopoly of This Idiocy But Opposite Party Is Infected.

STRING OF INTERROGATIONS TO FEASE WILSON IDOLATERS

Questionnaire No. 1—Will All the Wilson Notes Be at His Notification?—How Did Fool Free Trade Hit Your Line of Business Just Before the Battles Began?—When the War Babies Die Will You Weep at the Funeral?

The question habit grows. You may ask a question of any one. Why should the dear old public escape? Here are a few from The New York Sun for the man in the street:

Do you approve of the Rivers and Harbors loot?

Do you want four years more of watchful waiting with the National Guardsmen undergoing military training in a tropical climate in midsummer?

Do you hold that the duty of the United States is to serve humanity and let its own citizens be killed and outraged?

Do you feel proud of notes with nothing behind them?

What do you think of the Vera Cruz adventure?

Would you like to have been an American soldier at Carrizal?

Do you love Carranza?

Do you believe in a financial regime conducted largely in the interest of one section of the country?

Do you desire to cut the Philippines loose in order that Japan may gobble them?

Do you want four more years of Daniels?

Do you approve of wrecking the diplomatic service to provide jobs for deserving Democrats?

Are you in favor of inflation?

Do you believe in preparedness for a flood of cheap European wares as soon as peace comes?

Have you noticed the significant increase of imports in the past year, despite the war?

How did fool free trade hit your line of business before August, 1914?

And your friends?

Were you all cheered up by the Underwood tariff bill?

Do you think the doubling of the income tax is fair while millions' worth of competitive imports come in free?

Where are you going to be when the war babies die and business slips back to the cold, hard, normal basis?

Can you conceive of any possible good to you or to the country from another Presidential term like the present one?

Will you perpetuate sectionalism, greed, ignorance, stupidity—general ineptitude in Congress?

ATTRACTS BUSINESS MEN.

Mr. Hughes has not tried to scare anybody, but has merely portrayed the errors of the present Administration and set forth certain principles on which the affairs of the country should be managed in the future.

There is a political logic in this portrayal, the culmination of which in the mind of the voter is expressed by the frequent remark:

"He is the kind of man we want to steer us through."

This has been said by many a business man. The qualities seen in Mr. Hughes are poise, a strong, sane mind, sincerity and a willingness to sacrifice life, physical or political, to the good of the country. Nor is there any question as to the quality of nerve to meet the emergencies of the four years beginning March 4, 1917.

HOME OF AVERAGE MAN.

"But America is not simply a land for the man of special talent or of distinguished aptitude. This is the home of the average man, the ordinary man who is doing his best, whatever, by talent or aptitude and in our large industrial occupations where thousands are gathered together in one service, we want a recognition of human brotherhood in providing for the welfare of those who make the wealth of this great country.

"We want workingmen to be safeguarded from every injury that can be prevented. We want the health of the workingmen looked after; every means provided which conduces to the proper standpoint of living; every means provided for proper recreation; appropriate means for education, for vocational training. In short the workingman who is on the job and expects to continue in that job ought to feel that he is doing something worth while for a community that appreciates it and gives him a fair chance to lead a happy and decent life.—From Mr. Hughes' speech at Detroit.
