How Pineapple Juice and Pepsin Relieves Stomach Trouble

The juice of pineapples contains ferments used by the stomach in the digestion of food. Pepsin is supplied by every stomach but many times in insufficient quantities. These two when combined with the other ingredients in Natol Pineapple Pepsin Compound furnish to the stomach exactly the right proportion to digest the food. Strong laxatives are an injury and are not needed where the food is properly digested.

Natol Pineapple Pepsin Compound is not a patent medicine but a corrective and assistant in overcoming all stomach troubles. One bottle (50c) is usually enough to give permanent relief.—Chas. A. Everett.
