

THOMAS CREEK JOTTINGS

E Wendt returned Sunday evening from Albany where he has been adding some new improvements to his new home.

Mr and Mrs J D Grimes spent last Sunday at Lyons with his brother James.

Mrs Jim Burton returned home from Stayton the last of the week where she has been helping to care for her father, Isaac Bates.

Miss Lulu Clark who is teaching at Weasel Flat near Lyons spent Sunday at home.

Mike Bilyeu is building a new cattle shed this week.

C C Burmester has been acting as sub. on the milk route while Clyde R played the act of hired girl for his wife.

Hildreth & Son have been busy the past week filling silos.

Miss Lola Westenhause who is teaching the Bilyeu Den school spent the week end at home.

P R Bilyeu, wife and daughter Mrs Fred Grimes of Jordan and Mr and Mrs Andrew Crabtree of Washington were all guests of Aunt Nancy Bilyeu Monday.

Aunt Ollie Shelton is suffering with dropsy.

Mrs Ona Shelton is still in Scio under the care of Dr Prill.

Miss Gladys Smith returned from Albany Monday where she had been visiting and taking in the Round-Up.

Mrs Bert Hollis and daughter, Myrtle, accompanied Mr Hollis' mother to Portland last week. They will be away several days.

G C Westenhause returned from Salem Sunday. His brother Will and little daughter accompanied him home for a short visit. G C took a hand in the prunes and reports good crops and prices and scarcely a prune wasted as the weather was ideal.

Syd Stringer who baled hops at Independence with his brother, came home Friday.

Everybody who possibly could attended the Albany Round-Up and all seemed pleased.

Services began at the Bilyeu Den church Monday night, to continue at least one week, led by H B Iler of Scio.

Mrs J D Grimes sure has some good grip medicine. Its a little like kill 'em quick. Just ask J D, as he recently tried a small cup of supposed-to-be mullen tea, but which was genuine poison of some kind. He is able to be out again at this writing.

These items may be a little stale, but as the writer took part in a stunt which beat the wild

horse race at the Round-Up, and as things are a little on the dreamland order yet, you will have to excuse them this time. She is thankful to say that in a few more days she will be ready for another drive, but on level ground this time.

CHATTER BOX

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

What Pineapple Juice Will Do

Pineapple juice and pepsin are now extensively used in the treatment of stomach and bowel troubles. They give strength and tone to the digestive organs. The right proportions are found in Natol Pineapple Pepsin Compound. This is a new medicine sold by Chas. A Everett, over the manufacturer's guarantee.

Roy McDonald, who recently bought the pool hall, took charge a few days ago, and has the appearance of being glad to get back to Scio again. They have rented R M Cain's house, formerly occupied by Mr Millar.

How Catarrh is Contracted

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.
