

THOMAS CREEK JOYNTINGS

Sank Hannah went to Mill City Sunday with another load of apples.

Mrs Arthur Jeffler of Stayton is visiting at the home of her parents, Mr and Mrs S B Cole.

Perry Bilyeu came up from Crabtree Friday and spent a few days visiting relatives and friends.

Mrs Nancy Bilyeu, son Mike, daughter Evaline, and Perry Bilyeu and family of Crabtree motored over to Jordan Sunday and spent the day with their daughter and sister, Mrs Haman Shelton.

Haman Shelton and wife went to John Couey's Saturday evening, and motored from there with Mr Couey's to Lebanon for a short visit with Mrs Shelton's sister, Mrs Thomas Hannah.

Mrs C C Burmester spent Sunday at the home of her mother, Mrs Wendt.

Roger Cain came out Monday and took a load of household goods over to Albany for E Wendt.

Delbert Shelton and family of Jordan have moved down to the Ona Shelton farm, the latter having moved to Scio for the winter at least.

It's enough to make one put on a smile that won't come off when one sees the good work being done on the roads on the north and south sides of Thomas creek, especially when a fellow expects to have to travel over them every day in the year as milk haulers and mail carriers have to do.

Geo Balsiger of Jordan was in these parts this week buying potatoes.

Church services closed Friday night on account of sickness at the home of Mr Iler.

Geo Grimes and Tom Fleming of Stayton were Sunday visitors at the Will Grimes home.

Mr and Mrs Pettit, who are visiting at the home of their son, Ross, motored to Albany and Corvallis Wednesday, accompanied by Mr and Mrs Ross Pettit and Grandma Fleming.

Mr and Mrs J D Grimes visited at the home of Grandma Fleming Monday and had Bun do some picture taking for them.

Natol Pineapple Pepsin compound is sold on a positive guarantee of satisfaction or money back. It is made from fresh pineapple juice and pure scale Pepsin. I ask every man and woman in Scio and surrounding country who has stomach trouble of any kind to call and examine this splendid medicine.—Chas. A. Everett.

Sunday afternoon, S R Tandy and family and E. Smith and wife motored over from Jefferson to call on D. C. Thoms and wife.

As Petitions Go

To show the worthlessness of the ordinary petition, Judge H. W. Mason, of Abilene, Kansas, circulated one asking the governor "to shorten the road to Tipperary," and in less than a day more than 200 persons had signed in good faith. The judge was telling a friend that his idea of nothing at all was a petition with a lot of names attached to it. The friend had other views. After the matter had been debated for thirty minutes, Mason offered to wager a 1916 model hat that he could get the signatures of 200 highly respected citizens to a petition asking Governor Capper to shorten the road to Tipperary. The friend called the bet and Mason started out with his document. Within a short time he had obtained the signatures of a bank cashier, the mayor of the town, the leading merchants, the minister of a church and a number of women. There were but five persons approached who did not sign the petition. Three of these "didn't sign petitions," while two others stopped to read it. Mason got the 200 names easily and won the bet.—Ex.

The Scio Dramatic Club will present that splendid comedy drama, The Deep Purple, at the People's Theatre tonight.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Send to all Druggists. Take Hall's Family Pink for constipation.

Treat The Editor Fair

There is probably no man engaged in the newspaper business in this state, who is not acquainted with a man whose excuse for discontinuing his subscription is that he already has more papers than he can read. It is only an excuse offered to ameliorate the presumed lacerated condition of the editor's feelings. It has no such effect, for in the first place an editor never worries over the loss of a subscriber except when he leaves the country without paying up arrearages and then he worries only about the welfare of the subscriber for fear he will get into serious trouble in some other locality. But why not be truthful and say to the honest newspaper man just what you feel in your own heart. Go into his den, ask how much you owe and pay the delinquency, and tell him frankly that you don't want his disreputable, black-guard sheet any longer. Say to him in a sorrowful tone of voice that you deeply regret his inability to publish a newspaper worthy the name and advise him to sell the plant to some man with a thimbleful of brains and seek some occupation which does not require much wear or tear of mind. Do this and then go away with the comforting assurance that the editor respects you for your candor and will cherish no hard feelings because you choose to borrow his paper instead of ———— it.—Oregon Messenger.

How Catarrh is Contracted

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.
