

Stop, Look and Listen!

We have been contemplating a change for some time, but owing to circumstances have just completed the transfer on November 1st. The Densmore-Wade Co. is out of the business of the Produce house entirely.

Having just purchased the produce business, I will give you all that the markets will justify me in paying.

We are in the market for practically anything you have to sell, having an Hazelwood cream station working in conjunction with us in the same building.

Bring us your eggs, poultry, hides, veal, dressed pork, casaca bark, CREAM, etc.

O. R. TURNER

Successor to
Densmore-Wade Co.

Mr. Hearst deplors the fact that British prejudice has created a false and ridiculous impression in America of Frenchmen. Are we to understand the King George is the "comic section" creator of "Alfonse and Gaston"?

When the allies get hard up they can always send the Italians into the line for a three yard gain.

Judging by the sick reports from the National Guard on the border, Texas had better set up as a health resort.

We hereby enter Herman Porth of Lexington, Ky., aged 19, record 650 pounds in one day, for the cotton picking championship of the world.

Now that the Greek Navy and Army have come out for the entente the attitude of Greece probably makes little difference to the allies.

If simplified spelling ever comes into general use, it is to be hoped that the very first change decreed will be the dropping of that first letter in opossum.

In view of that hurricane which caused two million dollars damage in St. Thomas think Denmark ought to cut the price of the islands to twenty three million.

The trouble with undersea war is that it is not on the level.
