John Wesely's Stock Positively Must and Will be Sold

From now on every day will be a Special Bargain Day with New and Attractive Prices. We must make this Short and Decisive and are Forced to Cut to Prices that Must Sell the Goods.

BEAR IN MIND

That this is no fake or hurrah sale to raise money or unload stock. It is a real, genuine, bona fide Closing-out-Sale, and John Wesely is to quit business in Scio for good. The stock has already been contracted for, and I have been placed in charge, with full authority to reduce this stock at least \$10,000. in the shortest time possible, and there are no strings tied to me or any limit put to the way I am to cut and slash prices. There is no half-way doing things with me. I am here to close out this stock, and if the good people of Scio and this vicinity appreciate real, genuine bargains, this is the greatest opportunity ever offered, and I promise you that this sale is not for one day only, but every day new and attractive BARGAINS will be added, prices cut and slashed, and means the most marvelous savings ever offered any person or family in the Valley.
