The ground has been covered with a blanket of snow most of the week, and one is inclined to the belief that the groundhog is a bum weather prophet.

The Pepper family, who have been living in the property south of the planing mill, moved this week to N I Morrison's old house which they recently vacated.

The Scio H S second basketball team defeated the Lebanon Scouts here Tuesday evening, 17 to 8. They are now on the lookout for more worlds to conquer.

Prof and Mrs O V White, Miss Rachel Angel and O R Turner motored over to Albany Monday evening with J M Lindley, where they attended a Christian Endeavor rally. A pleasant time is reported.

The Hauser basketball team of Albany won over the Scio K of P team here last Friday evening 15 to 14. The Albany bunch put up a rough game, something of a cross between basketball and football. The News has been requested to state that a meeting will be held at the Riverside school house near Thomas next Saturday, for the purpose of forming a National Farm Loan Association. All those interested are invited to be present. Our informant failed to state the hour of the meeting, but it will more than likely be held in the afternoon.

Quite a lot of property is changing hands around town of late. Thos Prosal has bought a part of the C U Sandoz farm; Wallace Perry has sold his farm to Mr Novak; J F Kukacka has bargained for the Wm Young farm, having sold his place on Hungry Hill to an outside party. Several other deals are being talked of.

"Uncle" Barney Burtenshaw and daughter Mrs A E Sylvester of Lebanon came over the last of the week for a visit with their daughter and sister, Mrs Eliza Crabtree. Mr Burtenshaw had a blacksmith shop in Scio in 1864 on the corner where J F Wesley's grocery now stands. He built the house now occupied by Jas Wanss, where Mrs Crabtree was married over 50 years ago. Although in his 94th year, Mr Burtenshaw is hale and hearty and more spry than many a younger man.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

The Habit of Taking Cold.

"With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed, not ice cold, but a temperature of about 90 degrees F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.
