Friday, Saturday and Monday is your last chance. We are going to pack up and leave for good. John Wesely's store will go out of business in Scio Monday evening.

A staggering and overwhelming slaughter of prices will be made on this merchandise.

We Don't Want to Pack and Pay Freight if we can help it. Your Price is our price. Come and Help Yourself.

Page four contains the advertisements, business houses and private parties using small spaces and giving it an appearance similar to the classified columns of the papers of today. Among other ads, the following was noticed: "For Sale, a Stout, Healthy, Active Negro Wench."

FORD

THE UNIVERSAL CAR

The new Ford cars are up-to-the-minute in appearance with large radiator and enclosed fan, hood with full streamline effect, crown fenders front and rear, black finish with nickel trimmings—a snappy looking car—and with all the dependable, enduring and economical qualities that have made the Ford "The Universal Car." One fact is worth more than a ton of guesses. Ford cars are selling from five to ten over any and all other cars, simply because they give more satisfactory service, last longer and are easier to operate and cost less to maintain—and there's no guessing about the reliability of Ford service. Runabout $345, Touring Car $360, Coupelet $505, Town Car $595, Sedan $645—f. o. b. Detroit.

Blossom Time in the Golden State

A friend just back from Southern California says: "The weather was fine, in fact too warm for heavy clothes. Many were in bathing at the beaches. Oranges were ripe in the valleys while the mountains nearby were covered with snow."

With warm, sunny weather it will not be long before the blossoms on the trees will be everywhere announcing that spring is here.

Take a vacation trip now while life is different; where climate surroundings and amusements are out of the ordinary. Spend a *different February.*
