So when we ask for your business on the basis of superior goods and service and right prices—we expect you to put us to the test. In making such a test—you run no risk, for your money will be refunded without question should any transaction prove unsatisfactory.
Try us on Prescriptions—We have a complete stock of prescription drugs and only an experienced pharmacist is employed in compounding, therefore we can fill your prescriptions just as your doctor directs.
Try us on Toilet Goods—We have a most complete line of high grade brushes, perfumes, toilet waters, creams, powders, etc.
Try us on Spring Remedies—We handle all of the good remedies which may be needed when you renovate your system for the spring season. Blood Remedies, Tonics, etc.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The Habit of Taking Cold.

With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 90 degrees F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.
