

## A Trade-Mark is Something More Than a "Sign"; It Stands for the Faith, the Pride and Reputation of the Manufacturer in the Product Which He Makes and Sells

Good goods depend upon identification so that they may be asked for by name, recognized, recommended and called for again.

As reliable druggists, our trade-name is our trade-mark. We want our customers to look upon it as a stamp whereby we assume full responsibility for the quality of all goods which we sell.

We make a specialty of Trade-Marked advertised goods.

The program last Friday participated in by the Scio, Jefferson, Riverside and Oakview schools was pronounced a success by all. The pageant in the morning was staged on the school campus. Miss Lavina Bauman was crowned queen after the parade of the procession, which included Uncle Sam, George Washington, Columbia, Spirit of Patriotism, Cuba, the Indian tribes and the Civil War eras. This was followed by the winding of the May Pole in the presence of the Queen, after which the audience moved to the corner of Main and Mill streets, where they witnessed the municipal flag raising and listened to a rousing patriotic address by Dr G H Young of Albany. In the afternoon a field meet was held at the fair grounds, where contests and games of various kinds were indulged in, a ball game between Scio and Jefferson closing the day's sports.

**Proper Food for Weak Stomachs**  
The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating they should take Chamberlain's tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.
