### Undertaking Department Not Sold

A report has been circulated that we have sold our undertaking business. This is a false report. We are better prepared to take care of your requirements along this line now than ever before. We have a licensed embalmer and also a horse. We have had twelve years experience in conducting funerals and we assure you that we are fully competent to attend to the caring for the dead.

Our stock of burrial caskets is large and up-to-date from which you can select and you will save from \$15 to \$50 on each service purchased from us, because we charge no larger profits for this than we do on any other line of goods we carry.

Call and see us when you require a funeral director. We are at your service day or night.

Yours to command  
Chas. Wesely.

### A New Man For Congress

Mark Weatherford, of Albany, has been nominated by the democrats for congress. The prohibition party of the state has endorsed him, and here is a tip that Courier readers can bank on. Mr. Hawley has a man against him this year who is going to win.

The independents (there are a lot of them in this congressional district) are not going to come down to support Hawley; the prohibitionists are not going unanimously for their nominee and the Democrats to a man will support Mr. Weatherford.

Mr. Hawley is going to have his first real scrap for congress this fall. For years he has had the election almost handed to him, and he has appreciated it by being a standpat congressman in a progressive state, taking the stump in the New England states and working against what the voters of his own state voted for.

From Cannon's rule to the present day Mr. Hawley has consistently stood in with the eastern bunch of politicians and financiers and been their handy man in pinches. His voting record on roll calls is too open proof of this.

The Courier knows the people of this district are ready for rebellion, only needing a big enough leader to follow.

Mark Weatherford is big enough and this congressional district needs a change.—Renton County Courier.
