Good printing can be obtained only where the proper types, presses, material and expert workmanship is found. The Tribune office possesses all of these requisites and the prices are right.

Tom Holt thinks a scarifier is not a good road tool. He thinks the hard surface of a road should be disturbed as little as possible and that uneven places should be brought to grade with gravel or crushed rock, placed carefully.

The Eugene flax experiment is sure to prove more successful than was that of the state last year. A man who knows how to handle and prepare flax from the time it is planted until it is ready for the spinning jenny, is the manager. He is Eugene Bosse, who is well known in Scio.

The big railway strike, which involves more than 400,000 employes, is scheduled to be pulled off this week, though there are some indications that a compromise may settle or delay matters. The federal government may also take a hand, unless agreement is reached by the contending parties.

Prof. O. V. White was in town a short time Saturday. He stated that Mark V. Weatherford is billed to deliver the keynote speech at the Woodrow Wilson meet in Portland this week, which will be the formal opening of the democratic campaign in Oregon.
