Don't Do It Boys

For several weeks it has been the habit of some of our young men and boys to whoop and yell on the streets at almost any hour of the night. What is the purpose The Tribune does not know. Don't do it boys, for it disturbs many people whom you do not wish to disturb. Especially, keep quiet on Sunday evenings. Many people feel personally offended to have Sunday evening made hideous by unnecessary yells and bomb crackers. As a matter of caution, you had better keep quiet, else the city dads may enact a drastic ordinance that will be unpleasant to you.

Very truly yours,
