If paving can be laid for 30 cents per square yard, as Commissioner Butler states, by all means let us have Scio streets paved, especially Main street. The cost for paving a lot, 25 foot front, would only be \$7.50 and anybody can afford to have paving at that cost.

Our country correspondents are increasing and we appreciate your efforts to help us make The Tribune a more readable paper. SCHOOL NOTES

The educational rally, which was held at the Scio schools last Friday, proved to be a great success. Mr. Reed, of the O. A. C. and Mr. Kilpatrick, of the U. of O., gave interesting talks. The juniors are sorry to hear that they have lost Miss Rose Sandoz, a member of their class. We wish Mr. and Mrs. Daniels a long and happy wedded life.

The boys of the S. H. S. wish to express their thanks to the senior boys for the work they did in putting up the swings.
