AND SANTIAM NEWS, CONSOLIDATED

VOL. 5. NO. 50.

SCIO, LINN COUNTY, OREGON, MAY 31, 1917

\$1.50 THE YEAR

JUDGE M'NARY WILL DON LANE'S TOGA

Formal Announcement is to Be Made
by the Governor Immediately
After the Funeral

Salem, May 29.—Judge Charles L. McNary, chairman of the state republican central committee and formerly a member of the supreme court, will be named by Governor Withycombe as the successor to United States Senator Harry Lane, who died in San Francisco Wednesday night.

The governor the middle of last week reached a decision to appoint Judge McNary, but decided to make no formal announcement of his choice until after the funeral of Senator Lane. Formal announcement will be made immediately after Senator Lane's funeral, for the governor feels that it is imperative, during the present crisis, that Oregon have full representation in congress.

Judge McNary as chairman of the republican central committee directed the Hughes-Fairbanks campaign and to him belongs largely the credit for Oregon registering a majority for the national republican ticket when there was a national landslide for President Wilson. He is an able speaker and brilliant lawyer. As a jurist, he made a splendid record on the supreme court bench. He was reared on a farm near this city and after acquiring his education, embarked in the practice of law in this city with John H. McNary, his brother, widely known in state republican politics.

The Good Roads Meeting

A small crowd listened to the good roads speakers at the Peoples theater Tuesday night. Hon. Wm. W. Lunger, of Yamhill county and Hon. E. D. Cusick, of Albany, were the speakers. Messrs Percy Young, T. J. Butler and Carlton Sox accompanied the speakers from Albany.

Of course the speakers did not advance any new arguments for good roads, for everybody wants good roads and is willing to spend money to get them. The only question is the issue of bonds and the spending of the proceeds thereof in paving roads which are now fairly good and which are less necessary for commercial purposes than lateral roads. Also the taking away of part of Linn county's road money to improve roads in other counties.

The Tribune is inclined to think the bonding measure will carry in the state as a whole but that it will be defeated in Linn county.

Expense on Flag and Pole

The total amount of funds raised to provide Scio with a municipal flag, were \$27.50.

Paid for paint	1.20
Paid for pulleys	1.25

Paid for flag	18.75

The cost of the flag will be \$27, leaving a balance of \$8.25 yet to be paid.

Eighth Grade Examination Result

932 pupils took the eighth grade examination, including geography and physiology, May 17 and 18.

337 pupils complete eighth grade, 171 receiving diplomas. Hazel C. Green, of Mill City, receiving the highest average, 96½ per cent; Aenene Small, of Thomas, received second highest, 93½ per cent.

Stock Received June 6

J. D. Densmore will be receiving fat stock for shipment at West Scio on Wednesday, June 6. He wants all the fat hogs, cattle and mutton that he can get. The market for stock of all kinds shows a tendency downward and it may be wisdom to get your stuff in at this time.

Best Remedy for Whooping Cough

"Last winter when my little boy had the whooping cough I gave him Chamberlains cough remedy," writes Mrs J B Roberts, East St Louis, Ill. "It kept his cough loose and relieved him of those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.

I have 4,400 feet of rustic which I must dispose of. Four inch round edge novelty pattern, good quality and very reasonable. For further information address Edward Taylor Albany, or see me in Scio.

CONSPIRACY AGAINST DRAFT NATION-WIDE

Government Takes Drastic Action to
Prevent Riots—All Eligibles
to Register

Washington, May 29.—Attorney General Gregory today instructed United States attorneys and marshals throughout the country to use their utmost efforts to arrest and prosecute all persons responsible for the agitation which has manifested itself in localities from New England to Texas against the registration June 5 of men subject to selective draft.

This agitation has made itself felt somewhat in many sections, but thus far there apparently is little connection between the outbreaks. Officials have undertaken an exhaustive investigation to determine if the whole anti-draft sentiment is not rooted in extensive machinations of German propagandists having a central headquarters in this country.

Color of this theory is lent in some degree by the marked similarity in the methods of procedure in the widely separated communities. Some officials believe that the entire agitation is manufactured by German agents, who, baffled in their original program calling for an armed uprising of German reservists in this country upon America's entry into the war, have turned their energies to this method of hindering the military plans of the government.

If such is the case, the conspiracy will come to nothing, officials believe. The department of justice, it was authoritatively announced tonight, expects virtually 100 per cent of eligibles to register, and prompt prosecution under the criminal provisions of the law will be instituted in the few cases where the law is not observed.

Senator Lane

Senator Harry Lane's funeral occurred in Portland Tuesday. Senator Lane, as a private citizen, as superintendent of the Oregon insane asylum, as mayor of Portland for two terms and as United States senator has an unquestioned reputation for honesty and integrity as a public official. He has ever been a friend to labor in every field during his official life and while his judgment in voting against arming American merchant vessels was largely questioned, we know that Harry Lane voted his honest conviction. But as a man and as a public official, his reputation stands as one of Oregon's leading public men.

FIVE MEN ARRESTED FOR WOOL THEFT

Caught in Salem Last Saturday While
Trying to Dispose of Their
Goods

Three Plainview and two Albany men were arrested in Salem for the theft of four and a half bales of wool from George and Dean Wheeler, who reside on their farm at Sand Ridge near Peterson's butte. The men are Arthur Wagner, William Morgan, Frank Koos, W. F. Davis and Frank Davis.

Sheriff Bodine was notified of the theft early this morning and immediately called the Salem officials, who caught the men a short time later when they tried to dispose of the wool. The wool is said to be worth over \$500.

The men were brought up for hearing before Judge Swan late this afternoon, but waived examination. A charge of larceny was made against all but William Morgan, a minor, and they were bound over to the grand jury under \$1000 bail each. A separate complaint was made out for Morgan, who will be tried in the juvenile court.

The Wheeler brothers found two bales of wool on the road this morning that had been abandoned by the men and upon investigation found four and a half bales missing. They called Sheriff Bodine who commenced notifying the surrounding towns. Guards at the Southern Pacific bridge near Jefferson said they had seen two automobiles pass on the road about 2 o'clock last night. At 8:30 this morning the police at Salem found the men with the wool loaded on the automobile.

The men will be held until the next session of the grand jury, when it is thought that they will plead guilty.—Albany Herald.

Road to Happiness

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult if not impossible however, when you are constantly troubled with constipation. Take Chamberlains tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

For perfect sight wear glasses made to fit your eyes after the error of refraction is determined by a careful examination.
