THESE MEN ARE NOT SLACKERS

One North Scio Man Did Not Claim Exemption When Entitled to the Same

So far as The Tribune is able to learn, there are no slackers in the six precincts given. Earl (Babe) Gooch, of Shelburn, was taken to Portland as a slacker. He and his parents certify that he is over 31. A lady in this city will testify to the same fact.

There may be others. Scan the lists given below. If you know of a young man who failed to register, it is your duty to report the fact to Sheriff Bodine.

SANTIAM FARM TOPICS

John Crabtree, of Scio, visited his uncle, S. W. Gaines, Sunday.

Our road boss is now using his utmost to connect the two ends of our good roads together. He has men blasting out the sand rock and will start grading Monday. He will complete the road and leave the graveling for the neighbors to do, free of charge, or pull through the mud next winter.

Mr. and Mrs. Joe Smith, of Lebanon, came over Sunday and spent several hours with the Pie Eater and family. We were old chums in the early 80s as we killed 16,000 rats in 36 days. Such a time you seldom ever read about in the Good Book.

John Smallman, who has been visiting in these parts for a few days, left for his home at Ranier Saturday.

I see our snow coated mountain in and around Cleveland Rock is about to loose her Sunday clothes these fine warm days. So now we may expect some good old warm summer weather.

Mr. Kalina and sons are cutting their clover hay while the sun shines. They anticipate a crop of seed this fall.

Andy Arnold and son came in last Sunday and cleaned out the Santiam farm strawberry patch and a fine lot of gooseberries.

Henry Ray and his new daughter-in-law called in Sunday morning for a few berries. Henry seems quite poorly.

Scott Turner, who has been in Eastern Oregon the past two months had such heavy attractions left behind that he could stay no longer. He arrived home the first of the week fully intending to return after July 4. But it will be a hard pull to get him away again, as he has had the experience.

G. A. Griffin and John Smallman went to the Lebanon strawberry fair Saturday. They had a fine time and pronounce it a grand success, and a big crowd.

Taken to Portland

Charles Wesely, who has been seriously sick at the home of his mother in this city for the past two weeks, was taken to a Portland hospital last Sunday morning. Mr. Wesely was not getting along as rapidly as was desired, hence the change.

A Portland doctor came up Saturday evening who with his brothers, Joe and John, accompanied on the journey.

Enlisted in Navy

Washington, June 19.—Since the beginning of the war 56,248 men have enlisted in the navy. The total now is 120,923.

Recruiting today and yesterday brought 1203.

War recruiting for the regular army reached a total of 120,185 yesterday, when 1551 men were enlisted throughout the country.

Will Raise More Than Asked For

San Francisco, June 19—The west, from the Mississippi to the Pacific, has promised to raise a sum greater than the fifteen million asked of it by the Red Cross war council. Every state has responded to the appeal, and many of them have delighted the Western committee by offering to increase the amount apportioned them.

California leads the list with \$3,250,000. Texas is next with \$2,500,000. Kansas comes next with \$1,600,000. Four big states have promised a million each, Washington, Colorado, Oklahoma and Nebraska. Another million will be raised by North and South Dakota together. Iowa, with the exception of three big cities, will raise half a million. Missouri, with the exception of two big cities, will do the same.

Oregon has set the mark at \$700,000. Idaho guarantees \$400,000, Montana \$300,000, Arizona and Utah will each raise a quarter million. New Mexico and Arkansas have each promised \$200,000 and Nevada and Wyoming \$100,000 each.

The total is \$15,850,000—nearly a million more than the west was asked to give.

JORDAN ITEMS

Mrs. E. Weidman was a Jordan visitor Monday.

Mrs. E. M. Kimball and son Lloyd spent the week end at Corvallis.

Mrs. E. Jaynes and daughter have returned from Portland, where the latter has been attending school.

Little Cecyl Grimes, son of Wm. Grimes, is being treated by Dr. Prill for an injury of the hip he sustained about two years ago.

Miss Mary Daugherty, who was operated upon recently for appendicitis, at Salem, is improving.

Mrs. T. Thomas and mother and Mrs. Bell called on Mrs. H. Shelton Monday.

(To late for last week)

Mrs. Erel Jaynes went to Portland to be present at her daughter's graduating exercises.

Derf Shelton met with a very painful accident recently by getting struck on the ankle by a horse. But is able to be on Terry Firma again.

The following have recently purchased new cars: Hamen Shelton, Clyde Thomas and Ray Crabtree. Also three other parties. Congratulations for successful business and joysides.

A fine dance was given Thursday night at the Catholic hall in honor of the newlyweds, Mr. and Mrs. L. Giezler. A large crowd and a most pleasant time was had.

The new cheese factory is running nicely with a good turnout of fine cheese, under the direction and management of Messrs Severance and Thomas. Uncle Hank Phillips won the treats for being "Johnny on the spot" with the first milk. Now Uncle, didn't you milk it the night before?

The School Election

School election in Scio was a very quiet affair. Probably fifty voters were present, a majority of whom were women.

The meeting was called to order by W. A. Ewing, chairman and retiring member of the school board. Mrs. A. G. Prill was selected as secretary of the meeting, owing to the absence of School Clerk J. F. Wesely.

Chairman Ewing read the annual report as prepared by Clerk Wesely when the election of one director was declared in order. Director Thayer nominated J. L. Calavan for the vacancy. No other candidates appearing Chairman Ewing declared nominations closed and Mr. Calavan received the unanimous vote.

J. F. Wesely was renominated for clerk. Mr. Wesely has been school clerk for many years and has given such perfect satisfaction that the people do not want a change. Mr. Wesely received the unanimous vote to succeed himself.

This concluded the business and the meeting was duly adjourned.

\$5 Reward

For return to Smith & Fountain store, Jefferson, Ore., Black Fox neck piece. Lost between Jefferson and Green bridge, June 16, 1917.

DO YOUR DUTY FOR THE RED CROSS

You Can Do Your Bit By Being Liberal in Providing For Sick and Wounded Soldiers

At a meeting held in Scio Thursday evening, Dr. A. G. Prill was elected general manager of this fund for Scio and vicinity.

The following committees have been duly appointed to collect and solicit the required fund and prompt action is requested. This work is important and urgent, that the young men which we are sending to the front may receive proper care and attention.

The committees appointed are: Mrs. Thom, chairman, Mrs. Claudia Gill and Mrs. J. F. Prochaska for Scio, Kingston and Jordan.

Mrs. Berdell Sticha, chairman, Mrs. Ollie MacDonald and Mrs. Fred Jones for Scio, Crabtree, Thomas and Shelburn.

The above committees will collect the funds and arrange for a sub committee for the same purpose at Shelburn, Kingston, Jordan, Crabtree and Thomas.

The amount of funds required from these districts is as follows:

Scio	- \$750
Kingston	- 100
Jordan	- 150
Crabtree	- 250
Thomas	- 125
Shelburn	- 125
Total	- \$1400

Subscriptions may be paid in installment if desired, in four payments, June, July, August and September. Do not wait for a personal visit of the committee, but see them and make your subscription.

Let the Forks of the Santiam do its duty.

Receipts for all moneys will be issued and donations to this fund will be published.

A. G. Prill, Manager.

Confidence of Physicians

It has always been our aim to provide dependable drugs, the pure, potent kind, and to render careful, experienced service. This explains why physicians have such confidence in us. It also explains why our prescription business has grown so rapidly.

PRESCRIPTIONS

filled by us always have just the effect the doctor expects them to have. We base our prices on the exact cost of the ingredients.

SIMS IN COMMAND OF ALLIED FLEET

U. S. N. Admiral Succeeds Briton in Temporary Command Over Irish Waters

London, June 20.—Vice Admiral William Sims, U. S. N., has been appointed to take general charge of the operations of the allied naval forces in Irish waters.

Admiral Sims will act in this capacity while the British naval commander-in-chief is absent from his post for a period, the official announcement of his appointment explains. The American Admiral's flag meanwhile has been hoisted as the allied senior officer in these waters.

Red Cross Week

This is Red Cross week and Scio is expected to raise \$750 therefor. Of course Scio includes the adjacent territory. We did so well in subscribing for Liberty Loan bonds that it ought to be an easy matter to raise this sum to assist the Red Cross in providing comforts for our sick and wounded soldiers on the battle front. Just remember what our soldier boys are giving and then dig down deep in your pockets for your bit. It is not a matter of charity, but a duty and Scio has never been known to shirk her duty when brought to the test.
