U. S. ENGINEERS IN BATTLE

Men Pinned Between Opposing Fires
 On Battle Front.

With the British Army in France.—
 Large numbers of American army en-
 gineers working on the British rail-
 ways in the region of Gouzeaucourt,
 caught in the German turning move-
 ment, escaped by lying in shell holes
 and prone on the ground while the
 British fired over them. There they
 remained until the British were near
 enough to enable the Americans to
 join the ranks when they fought val-
 iantly and played an important part
 in replying to the enemy.

The British commanders refer to
 their valiant behavior with the great-
 est enthusiasm.

The engineers were mainly from
 New York.

Russian Armistice Partly Operative.

Amsterdam.—An armistice was
 agreed to Saturday with the Russian
 army, according to a Berlin dispatch.
 It was to begin at 10 o'clock on the
 evening of Sunday, when hostilities
 were to be stopped and arrangements
 made concerning intercourse between
 the lines, troop movements in the
 trenches and work and air activity.
 Forty-eight hours' notice was fixed
 for announcement of the armistice,
 which covers the territory from the
 south bank of the Pripet to south of
 Lipa.

Scandinavians to Remain Neutral.

Christiania.—Norway, Sweden and
 Denmark have entered a new agree-
 ment to observe the "utmost neutral-
 ity." An official statement announced
 this result of the conference of the
 Scandinavian kings and statesmen
 held here.

\$1,000,000 Incomes Are Almost Double.

KRYPTOK LENSES

What would mother like best for
 Christmas?

Does she have to sacrifice knitting
 and reading in the evening?

Is she enduring the inconvenience
 of wearing two pair of glasses or
 changing them between near and
 far seeing?

Why not get her a pair of Kryp-
 tok's, the invisible bi-focals, which
 will bring back the close and far
 seeing of her girlhood. The com-
 fort, convenience and appearance
 will make her truly happy.
