Tom Large's puppy Fritz is a knowing one. To save Tom the bother of picking the flowers, Fritz does it, nipping them off and piling them neatly in his favorite lounging place.

M. E. Roth of Goltra station, was over Friday afternoon to exchange wheat for flour at the Scio mills. He thinks that the Scio flour is superior to any manufactured by Willamette Valley mills. Mr. Roth reported crops looking excellent in his locality. Aphids are in evidence but he thinks vetch the only crop injured by them at the present time.

We hear of meatless and wheatless days and that all days are to be wheatless until harvest. But let us hope that the exodus of Scio people to lumber mills, paper mills, ship yards, and the army and navy, will not cause Scio to become peopleless.

May has not been a favorable month for the growth of crops, especially gardens. The average temperature has been too cool. While crops are not suffering for moisture a good soaking rain would make our farmers smile. It is not believed that the aphids has materially injured the grain as yet.

Extra Extra Extra

Here is some very important news. CHAMBERS & CHAMBERS have sold out their entire \$36,000 stock of fine new furniture, rugs, linoleum, stoves, ranges, go-carts, refrigerators, trunks, draperies, etc., to The Feldstein Drektor Co. of Portland, Oregon. These goods were purchased at a great reduction of former cost. Think of what this means to you. This entire stock must be closed out at once and in order to do so we have reduced every article at wholesale cost and many less. You will be tempted to buy if you come to this store and note the reductions.

This is one of the greatest furniture sacrifices Salem has ever witnessed. Come and come early if you want one dollar to do double its work and more. We cannot begin to mention the thousands of bargains we have to offer you. Here are just a few to give you an idea.
