"THE LIBERTY BOND IS VICTORY'S WAND"

—By H. E. Allen, Hillsboro

SUBSCRIBING for Liberty Bonds does not mean giving anything. It does not mean even sacrificing—unless you call it that to spend more needfully here and use more heedfully there. It means safe, sane, sensible, substantial INVESTMENT, backed by the best security in the world—our whole United States, and from which you will receive reasonable income in INTEREST.

Compare this degree of patriotism with the kind that is taking our sons, brothers, husbands and fathers across the seas to probable hardship and possible death.

The balance is in their favor if you were to mortgage your entire financial future in order that they may be backed up with those supplies which represent the means for both PREPAREDNESS and PROTECTION.

The third Liberty Loan is at hand. Don't wait to be personally solicited for your subscriptions. Go to your bank and VOLUNTEER YOUR DOLLARS.

LIBERTY LOAN COMMITTEE.

Chief Executives and the Press.
When John Adams became president, in 1797, he was even more severely attacked in the press than Washington had been. But his administration fought the attacks. Armed by the sedition law, which was passed the

following year, it sought to annihilate the papers which it could not force to surrender. In the fight, which lasted four years, the people rallied to the support of the papers and defeated Adams in the election of 1800 by putting Thomas Jefferson in the presidential chair.

Good Cause.

"I hear that De Smythe's efforts to trace his ancestors have been suspended."

"I suppose he found some of the ancestors were suspended, too."
