BIG AUTOMOBILE SHOW IN ALBANY

More Than Forty Makes of Cars to be on Exhibition on March 21-22

Albany, Ore., March 10.—The automobile, truck and tractor show which will be held here March 21 and 22, will be the largest affair of the kind yet held in the state south of Portland. The local dealers promise that nearly forty makes of cars will be represented in the exhibits in the armory and several models of tractors will be shown.

The truck and tractor exhibits will be of interest. As a means of transporting produce from farm to town the truck is proving its worth and many farmers have added light trucks to their equipment.

The tractor is also receiving much attention and many farms in the Willamette Valley are now tilled by aid of automotive machinery.

President Murphy of the Albany automobile association, predicts a big crowd during the two days of the show and promises that the exhibits will be worth coming miles to see.

Young-Kalina.

At Albany yesterday Miss Clara Young and William Kalina were married. As thrifty young people they immediately proceeded to set up housekeeping on "Billy's" farm. A warm reception had been planned by that arch conspirator Mrs. John F. Prochaska, Billy's sister, and as a consequence battered tinware is quite plentiful in that vicinity.

After equinox and the Albany automobile show are over, we expect to be able to announce the arrival of spring.

SCHOOL NOTES.

On Thursday the following rules were laid before the high school. Violation of any one of these will subject the offender to a loss of one merit from the student's report:

Leaving room without permission. No sitting together.

Whispering without permission. Propelling missiles or missives.

Gum, candy or paper chewing.

Going down stairs between classes. Inattention or carelessness toward work.

Loud or boisterous conduct inside school building.

Piano not to be abused or used without permission of teacher.

Absence or tardiness without good excuse.

The following were visitors to the high school last week: Mrs. Cummings, county superintendent; Floyd Carson, 65th C. A. C.; Miss Cora Ray, McMinnville; Miss Neva Thayer.

The girls' basketball team is planning to play Lebanon some time this month.

A. P. Russell Dies.

A. P. Russell, father of County Clerk R. M. Russell, and a former prominent Linn county man, died at Salem at the age of 35 years. The funeral services and interment took place at Shelburn.

Mr. Russell was the father of 17 children, 11 of whom survive him. He was born in Maine. In 1849 he followed the rush for gold to California, later coming to the mines of Southern Oregon. He lived in Albany two years and was a resident of Shelburn ten years. For the past few years he lived at Macleay, in the Waldo hills.—Albany Democrat.

Did America Win the War?

What must be the thoughts of our soldiers and sailors when they return from the din of fighting and hear the hubub in congress about "American failures in the war?" These men who drove the Huns from France and Belgium; who saw the German military machine wrecked and shattered; who beheld the collapse of the greatest military power in history; who marched into Metz and Coblenz, regarded as impregnable strongholds—what must they think when they hear America's efforts and their own endeavors described by senators and representatives as failures?

Did America win the war? Ask the Germans, they appear to be experiencing some sensations of defeat. Was there a breakdown of the American army? Put the question to the French and the English, who know what reverses and handicaps really are. Did alleged American shortcomings endanger the success of the allied arms? Read the terms of the armistice. Did alleged American mismanagement cause an American retreat? Ask a soldier or sailor, and then run before you get the answer.

The Scio high school girls' basketball team will play a game with a Lebanon school team tomorrow evening at Wesely hall.

Volunteer Work Wanted.

In the past Scio business men and others have contributed money for road improvement in the country districts; they did so willingly for they realized that better country roads meant added prosperity both to town and country.

Now the shoe is on the other foot. Scio has a disgracefully muddy street—specifically Mill street. It needs improving for both the welfare of Scio and the surrounding country. Because of the dilatoriness of property owners on said Mill street The Tribune has prepared a subscription paper and asks farmers to donate one or more days' work for the purpose of making Mill street a more acceptable and presentable roadway. The Tribune hesitates to destroy the printer's fishpond in front of our office, but like others we must bow to public improvements.

Armenian Relief.

School District No. 95 was asked to raise \$50 for the Armenian and Syrian relief fund. Following is a list of solicitors and amounts collected: Mrs. C. C. Bilyeu \$36; Mrs. J. L. Calavan and Mrs. Bauman \$19; Mrs. Chromy \$13.75; Mrs. Rolla Shelton \$7.25; Mrs. George Rodgers \$5.25; contributed by school children \$19. Total, \$100.25.

The school contribution came from the different rooms as follows: Miss Metcalf's room, 24 contributors, \$8.85; Miss Kotan, 17, \$4.30; Miss Wolter, 13, \$3.20; high school, 7, \$2.65.

Mrs. A. G. Prill, Dist. Chairman.

Dance at Lacombe.

A dance will be given at Lacombe Union hall Saturday evening, March 22d. Fine music and a good time for all is assured. Supper served at midnight. Committee.

Died

A. P. Hiron, of near Shelburn, died at his home yesterday afternoon at the age of 51 years. The funeral services will be held at the Shelburn church tomorrow (Friday) afternoon at 2:30.

Tom Smail was in town yesterday receiving congratulations on becoming a grandpa. You can see he steps higher than usual.

Some people in the "red school house" district complain of a local in our issue of last week relative to religious instruction in school. The item was not intended to criticize the teacher but as a word of caution. A teacher should give instruction in morals but not to color such teachings with sectarian or religious ideas. The law is plain along these lines. The Tribune does not wish to offend anyone along these lines, for we realize prejudices are strong.

Secretary of the Interior Lane indicated in a speech before members of the house recently that he had adopted Representative Sinnott's suggestion of having his requested appropriation of \$100,000,000 for reclamation purposes incorporated in the sundry civil bill to insure action in this congress. If this appropriation is granted Representative Sinnott will seek to have two new irrigation projects initiated in Oregon.

SANTIAM FARM TOPICS

March 7th being Jobe Crabtree's 90th birthday, his sisters Mrs. S. W. Gaines, Mrs. Martha Smith, Mrs. Rebecca Morris and Mrs. Phoebe Turner, gave him a rousing celebration and a bountiful dinner. Jobe enjoyed it and now wishes to reach the century mark.

William Smith is having eye trouble and may lose his sight.

Grandpa Smail is home from Portland, leaving the missus to look after the little grandson.

Billy Kalina bid farewell to bachelor life and entered the bonds of sad destruction. We congratulate Bill and the missus and hope their life will prove a heaven on earth.

Arch Ray's sale went off nicely, fair prices being realized. The Red Cross took in \$14 for lunches.

Abe T. Powell was at the sale Saturday, as musty as a beaver, casting sheep's eyes at the women as though he smelt a hawk.

Newt Crabtree's trade with Mr. Bowerman of Portland fell through and Frank Summers will farm the place.

George Brock will soon have his portable sawmill running west of Franklin Butte on Fillpott's timber.

William Lee lost the sight of his right eye and as the left one is failing, he fears blindness.

Uncle Tom Smail is so proud of his new grandson he wears his hat on each side of his head at the same time.

David Horsburgh and wife and daughters motored over to the Santiam to visit relatives.

Mr. Fillpott and Pie Eater were engaged in a business deal Sunday.

Charley Compton was at the sale pawing around like a goat in a brush pile.

Mrs. Pitt Wallace is laid up from the effect of a fall. Her wrist was fractured, back wrenched and suffers internally.

Aunt Tom, Pie Eater can sympathize with you as to asthma, as I have had a round with it. My chest feels as if a blacksmith had his anvil on it and he forging horse shoes. PIE EATER.

"A Poor Married Man."

On Thursday evening, April 3 the senior class of the Scio high school will present a 3-act farce comedy entitled "A Poor Married Man," at the Peoples Theatre. Between acts vaudeville specialties will be given. The cast is made up from the pupils named: Thomas Prospal, George Patry, George Stoddart, Franklin Gilkey, Valma Balachweid, Freda Thayer, Mae Stoddart, Emmaline Carson.

Dr. C. Fieg, our new dentist, arrived the first of the week and is fitting up his office one door north of the postoffice. The doctor comes well recommended, but his work will be the best evidence of skill in dentistry. One thing is sure, however, and that is when he gets his forceps on a tooth the darned thing is sure to come out. Physically we judge the doctor to be a stout man.

REDS ARE BENT ON RUINING REPUBLIC

Radical Elements United for Revolution—Campaign Goes On Unchecked.

Washington—Mail matter seized since signing of the armistice has disclosed that the I. W. W., anarchists, radical socialists and others are "perfecting an amalgamation" that has for its object the overthrow of the American government through "a bloody revolution" and the establishment of a bolshevik republic.

Declaring that in bolshevism the radical elements of the country had for the first time "found a common cause upon which they can unite," Mr. Lamar, solicitor of the postoffice department, said his information showed that propaganda against the government was being conducted with great regularity and that its magnitude could be measured by the "bold and outspoken statements" found in the literature.

Particular reference was made by the solicitor to the activity of the dissatisfied foreign element in the country, but that the I. W. W. was perhaps the most active in dissemination of propaganda because they "have at command a large field force known as recruiting agents, subscription agents, etc., who work unceasingly in furtherance of the cause."

At The Peoples Theatre

On Saturday and Sunday evenings Mrs. John Wesely will present Wallace Reid in "The Source," and the rollicking comedy "Love Loops the Loop."

Stated communication of Scio Masonic lodge Saturday evening.
